You don't often get email from [redacted] Learn why this is important

Hello,

I am a local resident and I want to express my support for Botley West.

This current energy crisis and the climate crisis needs cheap, large scale solar to help break Britain's dependence on foreign fossil fuels.

Do not bow to the NIMBYs worried about their property prices.

Think of the future generations and all the Oxfordshire residents that will benefit from clean solar.

Thank you.

Thomas Skuse
