Dear Secretary of State,

The National Grid (North London Reinforcement Project) Order 2014
Non-Material Change Application (NMC-1)
Response to Request for Information – Construction Programme & Updated Design Drawings

1.1 Further to our letter dated 19 October 2026, please find enclosed the NMC-1 Construction Programme and updated Tottenham Bypass Wiring Methodology Design Drawings (the 'Design Drawings'). The Design Drawings have been updated to ensure that the sheet numbering aligns with the corresponding references in the NMC-1 Construction Programme.

1.2 These documents have been prepared in response to your letter dated 12 October 2026 requesting further information in relation to the application by National Grid Electricity Transmission Plc (the Applicant) for a non-material change (NMC-1) to The National Grid (North London Reinforcement Project) Order 2014 (S.I. 2014/1052) .

1.3 The enclosed documents supplement the Applicant's Response to the Request for Information dated 19 October 2026.

Yours faithfully

TLT LLP

TLT LLP
for and on behalf of National Grid Electricity Transmission Plc
