Dear EMG 2 Team,

I refer to my two brief conversations with [REDACTED] as to completion of the event participation form.

Additional attendance

Whilst I successfully registered to attend (but not speak) at the hearing 10.00, 10/3/26, (and make representations as to an accompanied site visit) I have been unable to complete a second form for 11/3/26. The system (despite my having tried a different browser) shows the message "this form doesn't exist." [REDACTED] therefore suggested I should email to confirm the details.

It is likely that we (Protect Diseworth) will be represented by Simon Betts a Planning Consultant at ISH 1, Wednesday 11/3/26. If he is able to take part, he wishes to attend virtually by "Teams" and his email is [REDACTED], mobile number [REDACTED]

Consultant Availability

I also mentioned issues we are currently having with the instruction of a transport/highways consultant whose services might be relevant to ISH1. The firm who we had briefly instructed at an earlier stage of this matter has just told us that its resources prevent it from acting further. Equally, the ExP will appreciate that we are a community group with limited resources and even if we are able to identify a replacement soon, it is unlikely that we will be able to instruct in time for the ISH1 hearing. However, please note that we will wish to make further submissions as the case progresses even though it is unlikely we will have contributed to agenda item7 at the hearing.

Yours sincerely,

[REDACTED]
On behalf of Protect Diseworth
