Dear Mr Bramwell

Proposed Application by London Resort Company Holdings for an Order Granting Development Consent for the London Resort project

Freedom of Information Request

I am writing to you in relation to your emails of 23 December 2019 & 14 January 2020 submitting a request under the Freedom of Information Act.

I can confirm that a meeting was held between the Planning Inspectorate (the Inspectorate) and representatives of the London Resort Company Holdings Ltd (the Applicant) at the offices of the Inspectorate on Tuesday 8 October 2019.

A copy of the note relating to this meeting is attached for your information. A draft note of the meeting was sent to the Applicant on 16 December 2019 for review and to provide any comments as necessary which is a standard approach taken by the Inspectorate across all NSIP applications at part of the pre-application process. We have received a response from the Applicant confirming that they had no comments on the draft meeting note and the meeting is now being published to the project webpage today.

Whilst there is no set time period by when we are expected to publish these, we make every effort to do so as soon as practicable after each meeting

Please be aware, the Applicant has since confirmed that it intends to submit an application for a Development Consent Order to the Inspectorate in Quarter 4 of 2020. The project webpage is today being updated to reflect the new anticipated submission.

There is not currently a further project update meeting scheduled, however it is the Inspectorate's intention that one will be held in March 2020 although arrangements have yet to be made. A note of this meeting will be published on the project webpage as soon as practicable once finalised.

Yours faithfully

Kay Sully
