1 Introduction

1.1.1 Table 1-1 summarises the main aspects of the consultation process, the outcomes from which have informed the transport modelling and assessment activities presented in the Transport Assessment (Application Reference Number: 6.3.14).

Table 1-1 Summary of stakeholder engagement relating to traffic and transport

Meeting date	Stakeholder	Title and format	Description
2014 to date	The Isle of Anglesey County Council (IACC)	Fortnightly and monthly face-to-face meetings between Horizon's and the IACC's highways/major projects officers to discuss the design and assessment of the A5025 Highway Improvements.	Design-focused meetings held as part of the design-development process for the A5025 Highway Improvements, within which traffic and transport matters are considered, including presenting the methodology for the traffic modelling.
July 2014	The IACC	Scope of traffic surveys. Face-to-face meeting between Horizon and the IACC.	Meeting to discuss and agree the scope and location of traffic surveys undertaken in August 2014 and November 2014.
October 2014	Sustrans, The IACC	Cycling strategy Face-to-face meeting	Meeting to explore Horizon's emerging cycling strategy for the Wylfa Newydd Project. Discussions covered the inclusion of cycling provisions within the A5025 Highway Improvements, their relationship to planning policy and potential traffic safety considerations.
June 2015	The IACC	Web-based PowerPoint presentation	Meeting to present the proposed assessment methodology and the role of the ITTS.
July 2015	Sustrans	Cycling strategy Face-to-face meeting	Second meeting to further explore the cycling strategy.

Meeting date	Stakeholder	Title and format	Description
