# 1 Introduction

- 1.1.1 Traffic surveys were undertaken by Jacobs Transport Consultants at various locations near the Wylfa Newydd Development Area between the period 2014-2017 to assess the current situation.
- 1.1.2 Figure 1-1 show the location of the traffic surveys, including details of the type of traffic surveys and the date the survey was carried out.
- 1.1.3 Figure 1-2 shows the reference numbers and location of each of the surveys.
- 1.1.4 Table 1-1 highlights the location of traffic surveys and the date and time for undertaking the surveys. It also shows the type of survey (Manual Classified Turning Count or Automatic Traffic Count). Each traffic survey location has been assigned a unique ID column for ease of reference.
- 1.1.5 The full set of raw traffic survey data can be seen at sub-appendix 1-0.1 to this document.
