

**EN010007 Wylfa Newydd  
Nuclear Power Station**

**Llyfrgell yr Archwiliad**

**Wedi'i ddiweddu –**

**23 Gorffennaf 2019**

Mae'r Llyfrgell Archwilio hon yn ymwneud â chais Wylfa. Mae'r Llyfrgell yn rhestru pob dogfen a gyflwynwyd i'r archwiliad gan unrhyw barti ynghyd â dogfennau sydd wedi'u cyhoeddi gan yr Arolygiaeth Gynllunio. Mae'r holl ddogfennau a restrwyd wedi'u cyhoeddi ar y wefan Seilwaith Cenedlaethol a darperir hyperddolen ar gyfer pob dogfen. Rhoddir cyfeirnod unigryw i bob dogfen; bydd y cyfeirnodau hyn yn cael eu defnyddio yn yr Adroddiad ar y Goblygiadau i Safleoedd Ewropeaidd ac fe'u defnyddir yn Adroddiad Argymhellion yr Awdurdod Archwilio. Mae'r dogfennau yn y Llyfrgell wedi'u categoriiddio naill ai yn ôl y math o ddogfen neu yn ôl y terfyn amser ar gyfer eu cyflwyno.

**EN010007 Wylfa Newydd  
Nuclear Power Station**

**Examination Library**

**Updated –**

**23 July 2019**

This Examination Library relates to the Wylfa application. The library lists each document that has been submitted to the examination by any party and documents that have been issued by the Planning Inspectorate. All documents listed have been published to the National Infrastructure's Planning website and a hyperlink is provided for each document. A unique reference is given to each document; these references will be used within the Report on the Implications for European Sites and will be used in the Examining Authority's Recommendation Report. The documents within the library are categorised either by document type or by the deadline to which they are submitted.

Byddwch gystal â nodi'r canlynol:

- Mae hon y ddogfen weithio a bydd yn cael ei diweddu bob hyn a hyn wrth i'r archwiliad fynd rhagddo.
- Mae cyngor o dan Adran 51 Deddf Cynllunio 2008 sydd wedi'i gyhoeddi gan yr Arolygiaeth, wedi'i gyhoeddi ar y Wefan Seilwaith Cenedlaethol ond nid yw wedi'i gynnwys yn y Llyfrgell Archwilio gan nad yw'r cyfryw gyngor yn ddogfen archwiliad.
- Mae'r ddogfen hon yn cynnwys cyfeiriadau at ddogfennau o'r pwynt y cyflwynwyd y cais.
- Mae trefn y dogfennau ym mhob isadran naill ai'n drefn gronolegol, rifol, neu'n drefn y wyddor ac nid yw'n rhoi blaenoriaeth na statws uwch i'r rheiny sydd wedi'u rhestru gyntaf.
- Nodwch y bydd yr holl ddogfennau a dderbynir gan yr Arolygiaeth yn cael eu cyhoeddi yn yr iaith a ysgrifennwyd. Bydd dogfennau a baratowyd gan yr Arolygiaeth ar gael yn ddwyieithog.

Please note the following:

- This is a working document and will be updated periodically as the examination progresses.
- Advice under Section 51 of the Planning Act 2008 that has been issued by the Inspectorate, is published to the National Infrastructure Website but is not included within the Examination Library as such advice is not an examination document.
- This document contains references to documents from the point the application was submitted.
- The order of documents within each sub-section is either chronological, numerical, or alphabetical and confers no priority or higher status on those that have been listed first.
- Please note that all documents received by the Inspectorate will be published in the language they were written. Documents prepared by the Inspectorate will be available bilingually.
