**Subject:** Delay to Wylfa and impact on NGET  
**Date:** 26 February 2019 17:50:02

---

If the power station project gets resurrected in say two years, will NGET be able to represent the DCO as is, or will they have to start from the beginning again?

How current does the statutory consultation have to be - it was conducted in 2016?

How current does the environmental statement have to be? eg newt and badger surveys

Many thanks  
Jonathan
