Subject: Statement of Common Ground with National Grid (Document EN010007-003088-18)
Date: 17 April 2019 09:10:55

Dear Examining Authority,

I already wrote to you earlier this year regarding the above matter.

This document needs to either be revised, to remove all reference to overhead transmission lines, or deleted from the public record.

To leave it unaltered would be an abuse of the planning process. National Grid should not be allowed to get "approval by stealth".

Yours faithfully

W. G. Roberts
