**Subject:** Statement of Common Ground with National Grid (Document EN0100007-003088-18)  
**Date:** 17 April 2019 09:00:06

---

Dear Examining Authority

I already wrote to you on this matter on 12th March 2019.

This document needs to either be revised, to remove all references to overhead transmission lines, or deleted from the public record.

To leave it unaltered would be an abuse of the planning process. National Grid should not be allowed to get "approval by stealth"

With regards

Anne-Marie Le Gall (Mrs)
