**Subject:** Statement of Common Ground with National Grid Horizon Wylfa  
**Date:** 17 April 2019 10:13:17

---

Dear Examining Authority

This DCO document needs to either be revised, to remove all reference to overhead transmission lines, or deleted from the public record

I have written previously on this subject and to your deadline and this objection has been ignored.

To leave it unaltered would be an abuse of the planning process  
National Grid should not be allowed to get "approval by stealth"

With regards

D Neal
