Dear Mr White

**New Nuclear Development at Sizewell**  
**Notification of Proposed Application: Section 46 Planning Act 2008**

We write further to our letter of 16 July 2019, notifying you that NNB Generation Company (SZC) Limited (referred to in this letter as EDF Energy) is intending to apply for a Development Consent Order (DCO) for a new nuclear power station at Sizewell in Suffolk (known as Sizewell C) together with associated development located both on and off-site.

As explained in our previous letter, EDF Energy is carrying out a multi-stage pre-application consultation exercise in accordance with the Planning Act 2008.

Since Stage 4 of our statutory consultation closed on 27 September 2019, EDF Energy has been progressing preparations for submission of the DCO application. This work has identified an area of additional land required in connection with the proposed application. EDF Energy is therefore intending to consult consultees under section 42(1)(d) of the Planning Act 2008 who own, occupy or have a legal interest in this additional land. This consultation will run from 16 January to 13 February 2020.

Under section 46 of the Planning Act 2008, EDF Energy is required to supply the Planning Inspectorate with copies of the section 42 consultation material. I therefore enclose a sample letter, and a copy of the consultation document which has been sent to key stakeholders on an informal basis and enclosed with our section 42 letters.

For completeness, EDF Energy also hereby notifies the Planning Inspectorate again that it intends to provide an environmental statement in respect of the Sizewell C proposals, which will be submitted with the DCO application. EDF Energy has not yet decided on the date for the submission of the DCO application, which will be submitted by NNB Generation Company (SZC) Limited.

If you have any immediate queries, please contact Richard Bull, Sizewell C DCO and Consents Programme Manager, at [richard.bull@nnb-edfenergy.com](mailto:richard.bull@nnb-edfenergy.com).

Yours sincerely
