Suffolk County Council comments on draft s.106, accompanying draft Explanatory Memorandum and draft Confirmation and Compliance Document

Suffolk County Council Registration ID Number: 20026012

Deadline 2

2 June 2021

1. Suffolk County Council ('SCC') is in regular dialogue with the Applicant regarding the draft s.106 agreement and has provided detailed comments on the first draft to the Applicant prior to its submission [PDB-004] at Procedural Deadline B. SCC notes the contents of the draft s.106 Explanatory Memorandum [PDB-009].
2. The ExA issued, in their Rule 17 letter dated 6 May 2021, a series of questions in relation to the draft s.106 agreement. These have been answered by SCC, submitted at Deadline 2 using the template provided by the ExA.
3. In respect of West Suffolk Council (WSC) being included as a party to the draft s.106 agreement because of the Applicant's proposals for Pakenham fen meadow this has been discussed with officers at WSC to find a practical way forward. WSC have considered matters in relation to the proposals for the Pakenham fen meadow land and is content to authorise SCC to negotiate and agree the details of the scheme on behalf of WSC. The Applicant has been separately advised of these suggested arrangements and that WSC is not required to be a party to the s.106 agreement. In respect of the ExA s.106 questions directed to WSC these have been answered by SCC on their behalf.
4. At this point in time, SCC does not wish to provide any further comments on the draft s.106, accompanying draft Explanatory Memorandum and draft Confirmation and Compliance Document by D2. This is on the basis that SCC will continue to work collaboratively with the Applicant on the draft s.106 and will provide further comments on further evolved draft s.106 documents at future deadlines.
