Dear Wendy,

**SIZEWELL C PROJECT
RESPONSE TO EXAMINATION DEADLINE 2**

Stantec acts for Suffolk Constabulary ("the Constabulary") in relation to the application for the Sizewell C Development Consent Order.

On behalf of the Constabulary, I am pleased to submit a response to Examination Deadline 2. The Constabulary's submission comprises the following:

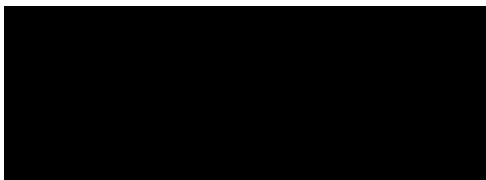

- Written Representation (WR):
 - **Part 1:** Summary of Written Representation (in accordance with WR submission requirements);
 - **Part 2:** SZC Policing Impact Assessment (PIA): Suffolk Constabulary's assessment of likely community safety and associated policing impacts; and,
 - **Part 3:** Collated Suffolk Constabulary comments regarding SZC DCO application as submitted by the scheme promoter, NNB GENERATION COMPANY (SZC) Ltd.
- Responses to the Examining Authority's Written Questions (ExQ1).

We note that the Examining Authority requested comments at Deadline 2 on the draft S106 Agreement and explanatory memorandum. We note that the draft S106 Agreement contains various provisions which are relevant to the Suffolk Constabulary, for example there is proposed an Emergency Services Contribution, part of which would be paid to the County Council for onward transmission to the Constabulary. There is no

information regarding the quantum of the contribution, and the triggers for payments and the purposes for which the contribution is to be applied are not sufficiently advanced to merit detailed commentary at this stage (on either the financial contribution or the other relevant obligations). The Constabulary expects to have meaningful negotiations with the Applicant following the submission of the Constabulary's Written Representation which sets out the details of the mitigation which the Constabulary consider necessary.

I trust the content of this submission is clear however please do not hesitate to contact me or Emma-Mai Eshelby [REDACTED] ([\[REDACTED\]@stantec.com](mailto:[REDACTED]@stantec.com)) should you have any queries.

Yours sincerely,

Natalie Maletras
Director
on behalf of Stantec UK Ltd
