1 INTRODUCTION

1.1.1 As requested by the Rule 8 letter [PD-011], this document sets out SZC Co.'s suggested itinerary for the Examining Authorities Accompanied Site Inspection (ASI) to the Hinkley Point C Site. Any views into the site from particular view points or visits to the surrounding area will be done unaccompanied.

1.1.2 The Examining Authority will determine who will attend the Accompanied Site Inspection. All those included will be required to provide personal information for security prior to the visit (details of their Full Name, Date of Birth, Nationality and Country of Birth). This information will be collected via a registration form (refer to Appendix A) and will need to be sent back to PINS by 23.59 on **Tuesday 8th June**. On the day, attendees need to bring either a current passport or photo driving licence as identification with them. This is a requirement of entering a Nuclear Licenced Site.

COVID-19 lateral flow testing

1.1.3 Attendees must complete a lateral flow test within 24 hours of arriving at Cannington Park and Ride. Once complete, you will need to report your results to the NHS. This can be done by:

- Visit www.gov.uk/report-covid19-result and scan the QR code using a mobile phone camera.
- Call 119 and give the ID number under the QR code to the operator.

1.1.4 Once reported, you will receive a confirmation email from the NHS, this will need to be forwarded to the PINS by 09:00am on **Tuesday 22 June**.

1.1.5 Minibuses will be used to transport attendees between sites. Whilst this vehicle will have capacity to enable social distancing measures (a seat between each attendee), a negative lateral flow test will still be required for the safety and comfort of attendees visiting the Nuclear Licenced Site, as well as the use of face masks on-board and the opening of windows to promote clean airflow.

Lunch provisions

1.1.6 Lunch will be provided at Cannington Court. Attendees that wish to bring their own lunch, or have special dietary requirements must note this on the registration form provided (Appendix A), which must be sent back to PINS by 23.59 on **Tuesday 8 June 2021**.

Clothing and Personal Protective Equipment (PPE) for the day

- 1.1.7 Attendees will not need PPE for the visit but should this change, it will be provided.
- 1.1.8 Whilst steel toe capped boots are not necessary, sturdy walking footwear is required and arms and legs must be covered at all times. Attendees should sensibly dress to weather conditions.

Route of the site visit

- 1.1.9 **Table 1.1** sets out the itinerary.
- 1.1.10 Please note that whilst the Applicant will endeavour to visit the points of interests in the order as listed in the table, the order may change to account for site conditions.
