Suffolk County Council Registration ID Number: 20026012

Deadline 5

23 July 2021

Dear Sir/Madam

As requested in the Examining Authority's Rule 8 letter, Suffolk County Council ('SCC') has submitted separate documents according to the different 'drop down' submission items.

With this letter, the Council wishes to summarise all its submissions made under Deadline 5, and comment on other items.

1. Post Hearing Submissions including written submissions of oral case

We have submitted Post Hearing Submissions for ISH 1, 2, 3, 4, 5 and 7. We are not providing a submission on ISH6, as we are deferring to ESC on coastal geomorphology matters.

2. Comments on the revised draft S.106 / Deed of Obligation

We are providing some additional comments on the draft Deed of Obligation submitted by the Applicant at Deadline 3 [REP3-024 and REP3-027]. In addition to some wider comments, the comments are focussed on Schedule 7 (Employment, Skills, Education and Supply Chain), Schedule 9 (Implementation Plan), Schedule 10 (Leisure, Public Rights of Way and amenity) and Schedule 16 (Transport).

3. Comments on any additional information/submissions received by D3

In a comprehensive document, SCC provides commentary on the following documents:

- a) [REP3-044] The applicant's comments on Councils' Local Impact Report
- b) [REP3-042] The Applicant's comments on SCC's Written Representation
- c) [REP3-046] The Applicant's Comments on Responses to Examining Authority's First Written Questions (ExQ1)
- d) [REP3-013] The updated Rights of Way and Access Strategy (Revision 3.0)

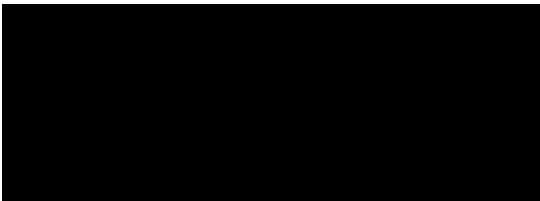

e) Misc. Archaeological Evaluation and Survey Reports

4. Responses to any further information requested by the ExA for this Deadline

At ISH5, SCC was asked by the ExA to provide greater detail on how it considered that an alternative to dealing with car parking during outages could be achieved without the need of a second outage car park at Goose Hill. We have submitted a note that sets out a further assessment of the subject.
