|----------------------------------|---------------------------|---|---|----------------|
| Art 2(1)                         | Applicant                 | The definition of "commence" has been updated to include reference to "ecological mitigation" and specific work numbers that comprise early ecological works.     | Responding to the SoS's request for further information and related feedback from ESC and SCC so as to clarify that early ecological mitigation works are excluded from the definition of "commence" as the intention is for them to be carried out pre-commencement.   | Rev<br>11(A)   |
| Art 2(1)                         | Applicant                 | The definition of "Deed of Obligation" has been updated to include, as a new part (iv), the "Deed of Variation", which itself has been added as a new definition. | Responding to the SoS's request for further information and feedback from ESC and SCC, it has been agreed with ESC and SCC that the definition of "Preparatory Works" should be varied to include the works comprised in Work No. 1A(cc) so as to exclude them from the definition of "Commence" as the intention is for them to be carried out pre-commencement. | Rev<br>11(A)   |
| Art 80(1)                        | Applicant                 | Reference to Schedule 22 replaced with Schedule 24.   | Correction.   | Rev<br>11(A)   |
| Schedule 2,<br>Requirement<br>5  | Applicant                 | Part (1) of Requirement 5 has been deleted and consequential amendments have been made to parts (3) and (4) (new parts (2) and (3))                               | To reflect the updated drainage position statement between the Applicant and SCC.   | Rev<br>11(A)   |
| Schedule 2,<br>Requirement<br>23 | Applicant                 | Reference in part (3) to "final drainage strategy approved pursuant to Requirement 5" replaced with "Drainage Strategy"   | To reflect the updated drainage position statement between the Applicant and SCC.   | Rev<br>11(A)   |
