Subject: Fw: Re Non Material changes Further information

Dear PINS, I note the SoS/DESNZ letter just sent out https://nsip-documents.planninginspectorate.gov.uk/published-documents/EN010012-011298-Request%20for%20Information%20Letter%20-%20Sizewell%20C%20NMC1.pdf

Refers to a planning application for Pakefield Pontins ref 3078, I would like to respectfully point out the plans below are believed to relate also to Sizewell C requirements.

Regards Mike Taylor

Subject: Re Non Material changes Further information

Dear All, The Non Material Change 1 and 2 relate to replacing a Caravan Park for 300 vans for SZC workers, permitted in the DCO, with a large building for prefabricating steel for Sizewell C.

East Suffolk Council planning portal Simple Search refers to a Planning Application DC/26/1229 which appears to relate to replacement of the caravan park existing units on a private site very close to the Detailed Emergency Planning Zone for Sizewell B. Objectors listed on the planning documents, include current site users who allude to collusion between the SZC Co and the site operator. It is now increasingly evident that loss of the original site users has/will have a negative impact on the footfall in the nearest town of Leiston and will add to emergency planning concerns and highways issues.

Regards Mike Taylor
