Dear Mr Scott

The Marine Management Organisation (“MMO”) received a request on 19 August 2024, to vary the Deemed Marine Licence (dMLs) contained within Schedule 8 of the Dogger Bank C Wind Farms Orders 2015. The requests were to make the following key changes:

- Currently, the project is conditioned to measure the underwater noise generated by the first four structures with piled foundations at DBC installed under dML 1 (monopiles) and dML 3 (OSP pin-piles). The condition also requires the results of the noise measurements to be provided to the MMO within six weeks of the installation of the first relevant foundation piece under both dML 1 and 3.

The MMO has now completed its consideration of this request in consultation with Natural England, in exercise of the powers conferred by section 72(3)(d) of the Marine and Coastal Access Act 2009, has varied the dMLs as detailed in the Notice of Variation enclosed (Schedules 8). Also enclosed is a copy of the varied dMLs. This documentation is also available on the MMO’s website at:

In accordance with regulation 3 of The Marine Licensing (Notices Appeals) Regulations 2011, you may appeal the notice of variation to the First-tier Tribunal. If you wish to appeal then in accordance with Rule 22(1)(b) of the Tribunal Procedure (First-tier Tribunal) (General Regulatory Chamber) Rules 2009 (SI 2009/1976) you have 28 days from the date of the sending of the notice of variation to send or deliver a notice of appeal to the First-tier Tribunal.

Kind regards,

Emmanuel Mulenga

Marine Licensing Case Officer
