Dear Mr Picton,

Thank you for your email of 20 January 2015.

The Steel Company of Wales (9 Nellive Park, St Brides Wentlooge, Newport, Gwent NP10 8SE) was listed in the Book of Reference by Tata Steel (the Applicant for the planning application for the Port Talbot Steelworks) under Category 3, as persons entitled to make a claim under Section 10 of the Compulsory Purchase Act 1965, Part 1 of the Land Compensation Act 1973 or s. 152(3) of the Planning Act 2008.

Section 57 of the Planning Act 2008 defines Category 3 as follows:

(4) A person is within Category 3 if the applicant thinks that, if the order sought by the application were to be made and fully implemented, the person would or might be entitled—

(a) as a result of the implementing of the order,

(b) as a result of the order having been implemented, or

(c) as a result of use of the land once the order has been implemented, to make a relevant claim.

This is subject to subsection (5).

(5) A person is within Category 3 only if the person is known to the applicant after making diligent inquiry

Therefore, we have an obligation to send correspondence to all addresses listed in the Book of Reference during the examination stage, and none of these can be removed.

We apologise for any inconvenience, and advise that you are under no obligation to take part in the examination of this application. If however you do decide to attend hearings, or engage in the examination process in any way or require further information at any time, please contact us.

Thank you

Dear Sir

for some months I've been receiving information from the planning inspectorate regarding developments in the Port Talbot area . I tried nearly one year ago to contact PWC to tell them that I thought they were contacting me erroneously but they failed to respond back to messages I left with them . You are addressing these letters to The Secretary of The Steel Company of Wales Limited . I am actually the Secretary of The Steel Company (Wales) Ltd . Whilst I can understand the ease of making this mistake , I think that the former company was dissolved some 20/30 years ago . Whilst your information is interesting , I feel you should check which company you are trying to contact . I would be interested in attending such meetings but this is probably inappropriate . Please check your records to see if you really need to contact me .

Yours

Dr William Picton

Company Secretary The Steel Company (Wales) Ltd
