SCHEDULE I

1 THE DESIGN OF THE HIGHWAY WORKS

- 1.1 The design of the Highway Works shall be to the satisfaction of the Director (the Director being obliged to act reasonably) with due consideration of the Technical Standards
- 1.2 No work on any particular Highway Works shall commence and no Contract for their construction shall be let until in respect of those works
 - 1.2.1 full details of the design of the Highway Works to be commenced in the form of plans, drawings, specifications and other materials have been submitted to the Director together with the name of the principal designer (whom the Developer shall appoint for the full duration of the design and construction of each and all of the Highway Works) in accordance with the CDM Regulations and any codes of practice referred to therein
 - 1.2.2 the Director has given his written approval to the relevant part of the Highway Works to be commenced and such approval shall not be given if the said plans, drawings, specifications and other documentation have not adequately addressed the issues raised in the pre-construction stages of the Road Safety Audit process and if given shall lapse if the Highway Works are not commenced within twelve (12) months of the date of the said Director's approval
 - 1.2.3 the reasonable estimate of the cost (including the costs associated with statutory undertakers work and traffic management) plus 10 per cent in respect of those Highway Works has been submitted to and approved in writing by the Director;
 - 1.2.4 the proposed Surety for the Performance Bond in respect of those Highway Works has been submitted to and approved in writing by the Director;
 - 1.2.5 the proposed value of the Commuted Sum in respect of that part of the Highway Works has been submitted to and agreed in writing by the Director and paid to the County Council; and

- 1.2.6 Evidence that the relevant Highway Works are fully within the boundary of the Highway adopted by the County Council has been submitted to and approved in writing by the Director.

Provided always and for the avoidance of doubt that nothing in this Agreement is intended to (i) prevent submission and approval at different times for different works pursuant to this paragraph 1.2 (or indeed any other provision of this Agreement) or (ii) prevent submission and approval of works pursuant to this paragraph 1.2 (or indeed any other provision of this Agreement) and/or implementation of any Highway Works in accordance with this Agreement prior to approval of the Construction Traffic Management Plan.

- 1.3 If the Director does not propose to give his approval in relation to those matters referred to in paragraph 1.2 of this Schedule he shall in each case as soon as possible in writing inform the Developer and if the Director requires amendments or additions to the plans drawings specifications and other materials referred to in paragraph 1.2 of this Schedule these amendments shall be undertaken by the Developer at his own expense and a revised set of updated documents shall be re-submitted to the Director for his approval
- 1.4 Without prejudice to paragraph 1.2 of this Schedule, the Director shall not give his approval as referred therein until the Developer has paid the sum referred to in paragraph 18.1.3 towards the cost of checking the design of the Highway Works and inspecting the Highway Works. The Highway Works at all times shall be carried out in accordance with the plans, drawings, specifications and other materials which have received the Director's approval referred to in paragraph 1.2 of this Schedule and the Developer shall in the execution of the Highway Works comply or ensure that the Contractor complies with the Technical Standards

2 LETTING OF THE CONTRACT

- 2.1 No Contract shall be let until all traffic management measures have been prepared by the Developer and approved in writing by the Director ("the approved programme") and thereafter each of the Contracts will be offered to an Approved Contractor
- 2.2 The Contract to be let under paragraph 2.1 of this Schedule shall be let under NEC3 suite of contracts (and any amendments thereto shall be approved by the Director) and the Developer shall obtain the agreement of the Contractor to be bound by the agreed drawings in Schedule IV (as amended and supplemented pursuant to this Agreement)

- 2.3 The Contract shall be awarded by the Developer subject to the Director having first given his written approval to the proposed chartered engineer(s) or other suitably qualified person(s) who shall be independent of the Contractor and will supervise the execution of the Highway Works by the Contractor
- 2.4 The Developer shall not award the Contract unless the Approved Contractor and the Approved Sub-Contractor/s concerned are insured throughout the period of the Contract (such period to include the maintenance period detailed in paragraph 15.1 of this Schedule) for public liability risks in the sum of at least ten million pounds (£10,000,000) in respect of any single claim and the Developer shall ensure that the Contractor remains so insured throughout the period of the Contract and prior to the commencement of each or all of the Highway Works or any maintenance works carried out in accordance with paragraph 15.1 of this Schedule the Developer shall produce to the Director insurance policies fully covering the Developer's liability in respect of the matters set out in this Agreement
- 2.5 The Developer shall not sub-contract or assign the Contract without the written approval of the Director and any sub-contractor shall be an Approved Sub-Contractor

3 INSPECTION OF THE HIGHWAY WORKS

- 3.1 The Developer shall provide the Director with not less than twenty four (24) hours nor more than seventy two (72) hours notice (excluding weekends and bank holidays) of any intended execution of the Highway Works specifying the tasks to be carried out in accordance with the approved programme referred to in paragraph 2.1 of this Schedule
- 3.2 Without prejudice to the approved programme the Developer shall notify the Director in writing at least twenty eight (28) days prior to the commencement of any work connected with statutory undertaker's equipment
- 3.3 The Developer shall during the progress of each and all of the Highway Works give to or procure for the Director and any person or persons duly authorised by him free access to every part of the Highway Works and the site thereof and permit him or them to inspect the same as they proceed and all materials used or intended to be used therein and shall give effect to any reasonable and proper requirements made or reasonable and proper directions given by the Director to conform to the approved detailed plans drawings and specification referred to in paragraph 1.2 of this Schedule

- 3.4 The Developer shall not cover up or put out of view any works forming part of the Highway Works without the approval of the Director and shall afford full opportunity for the Director to examine and measure any work which is about to be covered up or put out of view and to examine foundations before permanent work is placed thereon and shall give at least seventy two (72) hours' notice to the Director whenever any such work or foundations is or are ready or about to be ready for examination
- 3.5 The Director shall without unreasonable delay, unless she considers it unnecessary and advises the Developer accordingly, attend when required by the Developer for the purpose of examining such works or of examining such foundations
- 3.6 The Director shall for the purposes of paragraphs 3.1 to 3.5 be allowed reasonable access and admission to the Highway Works or the places where materials or plant for the Highway Works may be stored or in the course of preparation manufacture or use (unless such access or admission is refused due to circumstances beyond the control of the Developer)

4 TESTING OF MATERIALS

- 4.1 The Developer shall reimburse the County Council for all reasonable costs and expenses whatsoever arising from the operation of paragraphs 4.2 to 4.5
- 4.2 The Director shall require the testing of materials plant and workmanship used or proposed to be used in the Highway Works and in his reasonable discretion have the power to reject any materials plant or workmanship so tested which he may reasonably and properly find to be not in accordance with the approved detailed plans drawings and specification referred to in paragraph 1.2 of this Schedule
- 4.3 The Developer shall as soon as is reasonably practicable replace or repair any materials plant or workmanship which have been found to be not in accordance with the approved detailed plans drawings and specification referred to in paragraph 1.2 of this Schedule
- 4.4 The Director shall for the purposes of paragraphs 4.1-4.5 be allowed reasonable access and admission to the Highway Works or the places where materials or plant for the Highway Works may be stored or in the course of preparation manufacture or use (unless such access or admission is refused due to circumstances beyond the control of the Developer)

- 4.5 The Developer shall as soon as is reasonably practicable remove such materials and plant as are rejected by the Director pursuant to paragraph 4.2. of this Schedule which are not capable of repair or remedy from the site of the Highway Works and if the Developer shall wish to continue to store such rejected materials and plant on the site of each and all of the Highway Works they shall be stored separately from those materials and plant which have not been so rejected or which the Developer shall wish in future to use in execution of the Highway Works

5 OPENING OF THE HIGHWAY WORKS

- 5.1 During the construction of each and all of the Highway Works and prior to the issue of the Certificate of Completion:

- 5.1.1 the Director may issue instructions to the Developer to open or expose any of the Highway Works which has been covered up without previously being inspected by the Director
- 5.1.2 should the Developer fail to comply with any such instructions the County Council may so take up or expose the relevant part of the Highway Works causing as little damage or inconvenience as is possible in respect of any other part or parts of the Highway Works the reasonable and proper cost of such taking up or exposure and reinstatement to be met by the Developer

PROVIDED THAT if the Highway Works or any part or parts thereof are covered up by the Developer after giving the notice referred to in paragraph 3.4 of this Schedule and the Director shall have failed to inspect in the period therein referred to and the Director shall subsequently require the Highway Works or any part of them to be uncovered for the purposes of inspection:-

- (a) if inspection reveals the relevant part or parts of the Highway Works to have been completed in accordance with the approved detailed plans drawings and specification referred to in paragraph 1.2 of this Schedule all costs in respect of such uncovering and inspection and of reinstating the part or parts of the Highway Works uncovered shall be borne by the County Council; or
- (b) if inspection reveals the relevant part or parts of the Highway Works not to have been completed in accordance with the approved detailed plans drawings and specifications referred to in paragraph 1.2 of this Schedule

all reasonable and proper costs in respect of uncovering and inspection and of reinstating the part or parts of the Highway Works uncovered shall be borne by the Developer

6 UNDERTAKERS

6.1 Insofar as the County Council as Highway Authority is required by any legislation regulation direction or code of practice (including in particular but without prejudice to the generality of the foregoing the New Roads and Street Works Act 1991) to serve a notice or notices in respect of the Highway Works on undertakers or other persons the Developer shall comply with such requirement on behalf of the County Council before the Highway Works commence and shall thereafter assume on behalf of the County Council such responsibilities as follow on therefrom in particular during the construction of the Highway Works and prior to the issue of the Certificate of Substantial Completion the Developer shall also:-

- (a) carry out or procure the carrying out of such works and activities in regard to the plant and equipment of undertakers as are required by undertakers in accordance with their statutory powers under the New Roads and Street Works Act 1991 as a result of the construction or intended construction of each and all of the Highway Works
- (b) cause all public sewers, highway drains gas and water mains electric cables and telecommunications ducts or other apparatus which are to be laid by the Developer under the Highway Works together with all necessary connections from them to the boundary of the Highway Works to be laid so far as is practicable under the Highway Works before the foundation of the Highway Works are laid and shall also in so far as is practicable cause the connections from electric cables to any street lamp to be laid before the paving of the footways comprised in the Highway Works is carried out
- (c) cause all trench works within the highway to be backfilled and reinstated in accordance with the Specification for the Reinstatement of Openings in the Highway as determined from time to time under the New Roads and Street Works Act 1991
- (d) not at any time give consent as part of the Highway Works to the erection by any telecommunications operator of telegraph poles or telephone poles or to the erection by any statutory undertaker or public or private company

firm or individual of any over ground or underground equipment without the consent in writing of the Director

7 PROTECTION OF THE PUBLIC

- 7.1 The Developer shall give due consideration to adjoining owners and occupiers of the Site at all times and shall organise activities relating to the Highway Works in such a manner as to cause the least practicable disruption
- 7.2 Prominent notices shall be displayed and maintained around the perimeter of the Site of each and all of the Highway Works to warn the public of the dangers of entering the site of the Highway Works
- 7.3 The Developer shall nominate a member of the site management team as the contact point for the Director in the event of an emergency and shall advise a daytime and twenty-four (24) hour contact number to the Director for the same purpose
- 7.4 The Developer shall take or procure the taking of all necessary steps to avoid creating a nuisance from noise from the Highway Works and in particular:
 - 7.4.1 the Developer shall afford all reasonable facilities to enable the Director to carry out such investigations of the Site as she may deem necessary in order to determine noise emission levels

12.1 The Developer shall carry out or ensure that there shall be carried out all related accommodation works associated with the Highway Works

13 CONSTRUCTION (DESIGN AND MANAGEMENT) REGULATIONS 2015

13.1 The Developer shall be the only client for the purpose of the CDM Regulations and the Developer agrees to undertake the obligations of a client under the CDM Regulations and to use all reasonable endeavours to ensure that the Highway Works are carried out in accordance with the CDM Regulations

- 13.2 The relevant Highway Works shall not commence until the Developer as the only client has provided to the Director:
- 13.2.1 an estimate of the number of working days and/or person days of construction work and the number of workers working on site simultaneously at any one point in the project which the Contract will entail
 - 13.2.2 written details of the principal designer and the principal contractor appointed for the project and also provide copies of the Construction Phase Plan and Health & Safety File
 - 13.2.3 a copy of the Notification of Project (form HSE F10) to the HSE pursuant to Regulation 6 of the CDM Regulations
- 13.3 Throughout the Highway Works the Developer shall provide to the Director copies of the updates and revisions to the construction phase plan and Health and Safety File in relation to the Highway Works pursuant to Regulation 12
- 13.4 Within 28 days of issue of the Certificate of Substantial Completion for any or all of the Highway Works the Developer shall provide to the Director
- 13.4.1 a plan showing the land over which those Highway Works have been constructed and
 - 13.4.2 a Health and Safety file conforming in all respects with the CDM Regulations and which shall accord with the current format used by the County Council to include a separate Health and Safety File for each structure
 - 13.4.3 The Director shall be at liberty to delay issue of the Certificate of Final Completion in respect of any of the Highway Works if the Developer fails to provide the Director with the documents referred to in 13.4.1 and 13.4.2 above within twenty eight (28) days of issue of any Certificate of Substantial Completion for any of the Highway Works equivalent to the number of days after the twenty eight (28) day period that the documents were submitted
- 13.5 In respect of the Highway Works generally the Developer shall provide to the Director the final information in both paper and electronic format and shall at least comprise:
- 13.5.1 1:500 scale (or alternative scale as may be specified by the Director) "as built" drawings

- 13.5.2 records of the earthworks showing sources of material used in areas of fill description of fill materials descriptions of sub-grades in cut areas copies of results of tests of material carried out as part of the supervision of the construction of the earthworks
- 13.5.3 records of the sources of supply of all deliveries of road construction materials with details of the location of the Highway Works at which each load is placed
- 13.5.4 records of the sources of supply of all other manufactured materials (e.g. drainage goods, fencing materials, traffic signs, electrical components and cables etc used for the Highway Works.
- 13.6 The Developer shall indemnify and keep the County Council indemnified against any breach of the Developer's obligations under this paragraph
- 14 SITE CLEARANCE AND CERTIFICATE(S) OF SUBSTANTIAL COMPLETION
- 14.1 On Substantial Completion of the Highway Works the Developer shall:-
 - 14.1.1 clear away and remove from the site of the Highway Works all constructional plant and temporary works of every kind and leave the site of the Highway Works in a neat and tidy condition to the satisfaction of the Director (the Director being obliged to act reasonably) and
 - 14.1.2 carry out stage 3 of the Road Safety Audit process and comply to the satisfaction of the Director (the Director being obliged to act reasonably) with recommendations arising thereunder prior to the opening of the Highway Works to the public
- 14.2 Upon Substantial Completion of the relevant part of the Highway Works including any additional work resulting from stage 3 of the Road Safety Audit process to the satisfaction in all respects of the Director (the Director being obliged to act reasonably) he shall issue a Certificate of Substantial Completion in respect of those Highway Works to the Developer provided that all costs and expenses owing to the County Council have been paid in respect of those Highway Works
- 14.3 Where the Developer has provided a Performance Bond , then after the issue of a relevant Certificate of Substantial Completion the County Council may approve a reduction of up to 90% of the Performance Bond Figure in respect of the relevant Highway Works and the County Council may release the Developer and the Surety

and each of them from their obligations under the Performance Bond in respect of the relevant Highway Works to such extent (noting for the avoidance of doubt that the bond relevant to the Friday Street Mitigation Scheme reinstatement shall not be reduced below the level estimated to be required for reinstatement works unless and until (i) the relevant Highway Works have been removed pursuant to Clause 6.9 and a Certificate of Substantial Completion issued in respect thereof or (ii) the time period for issuing a Notice to Remove pursuant to Clause 6.9 has expired and no Notice to Remove in respect of the relevant works has been issued).

15 DEFECTS CORRECTION PERIOD AND CERTIFICATE OF FINAL COMPLETION

- 15.1 With the exception of (i) the traffic signal and associated electrical equipment forming part of the Friday Street Mitigation Scheme; and (ii) the works to remove the Friday Street Mitigation Scheme pursuant to Clause 6.9 (which works shall, irrespective of anything to the contrary in this agreement, be issued a Certificate of Final Completion at the same time as being issued a Certificate of Substantial Completion) the Developer shall maintain each and all of the Highway Works for a period of eighteen (18) months (unless the Director agrees in writing a lesser period having considered paragraph 15.2) from the issue of the related Certificate of Substantial Completion and prior to the expiration of the relevant period the Developer shall reinstate and make good any damage or defect which may have arisen from any cause whatsoever or be discovered during the said period (including any defect in or damage to the surface water drainage system) so as to place the highway and the relevant Highway Works in a condition satisfactory to the Director (the Director being obliged to act reasonably).
- 15.2 After the expiration of the period of twelve (12) months from Substantial Completion or the date the Onshore DCO Works commenced (whichever is the latter) and other than in respect of (i) the traffic signal and associated electrical equipment forming part of the Friday Street Mitigation Scheme; and (ii) the works to remove the Friday Street Mitigation Scheme pursuant to Clause 6.9, the Developer shall (unless the Director writes to the Developer informing him that it is to be carried out sooner or that he does not need to do so) carry out stage 4 of the Safety Audit and comply to the satisfaction of the Director with any recommendations arising thereunder.
- 15.3 After the expiration of the relevant period referred to in paragraph 15.1 (or such lesser period as agreed in writing by the Director under paragraph 15.1) and after any defects have been made good as therein provided including any improvements arising under stage 4 of the Road Safety Audit to the satisfaction of the Director and the Commuted

Sum has been paid to the County Council and after the provisions of paragraph 13.4 of this Schedule have been fulfilled the Director shall as soon as reasonably practicable issue to the Developer the Certificate of Final Completion in respect of the relevant Highway Works provided that the Certificate of Final Completion shall in the case of road gullies extend only as far as their points of entry to the surface water sewers where those are not being adopted by the County Council as highway drains and the County Council shall as soon as reasonably practicable upon issue of a Certificate of Final Completion (pursuant to paragraph 15.1, 15.3 or otherwise) release the Developer and the Performance Bond Surety and each of them from all subsisting obligations under the Performance Bond in respect of those Highway Works.

16 PERFORMANCE BOND

16.1 Without expense to the County Council the Developer and the Performance Bond Surety shall prior to commencing the relevant Highway Works enter into the Performance Bond for those Highway Works and the Developer and Surety shall be bound to the County Council in the amount of the Performance Bond Figure for the relevant Highway Works

16.2 Should the Developer default in the execution of its obligations in carrying out any or all of the relevant Highway Works and to maintain the same in accordance with the provisions of this Agreement then the County Council may (subject to the provisions hereinafter contained) itself complete Highway Works that have been commenced by the Developer (and for the avoidance of doubt including any removal of the Friday Street Mitigation Scheme where required pursuant to this Agreement) and maintain the same as aforesaid having first called upon the Performance Bond Surety for the cost to be expended in so doing

16.2.1 Unless there is a danger to users of the highway the County Council shall give 20 working days prior written notice (or lesser period as may in the circumstances be reasonable) of its intention to commence work under Paragraph 16.2

16.2.2 any notice served under this paragraph shall specify the period of the notice ("the notice period") the extent of the work which the County Council proposes to carry out and full details of all matters in respect of which the Director considers that the Highway Works have not been carried out in accordance with the terms of this Agreement

16.2.3 if before the expiry of the notice period the Developer serves written notice upon the County Council that the Developer intends diligently to execute the works specified in the notice in accordance with the terms of this Agreement and specifies a time to complete that the County Council considers reasonable in the circumstances the County Council shall not be entitled to execute the relevant part or parts of the Highway Works specified in the notice served under this paragraph unless the Developer then fails to execute those works within the agreed time scale

16.3 If the Developer should default in the execution of its obligations in carrying out any or all of the relevant Highway Works and to maintain the same in accordance with the provisions of this Agreement then the County Council will call upon the Performance Bond Surety to provide the full Performance Bond amount in accordance with this Agreement. Save that the County Council after all works required to remedy any default by the Developer are completed and all contracts and any contract claims settled will return any Performance Bond sum unused with interest at the Bank of England Base Rate minus 2 basis points, compounding annually at financial year end on receipt of a written request to the Surety within one month of all the aforementioned completing and settling. If for any period the Bank of England Base Rate is at or below 0.02% then no interest shall be payable for that period by any party to this Agreement

17 COMMUTED SUMS FOR MAINTENANCE

17.1 Prior to the commencement of the relevant Highway Works, the Developer shall pay to the County Council the relevant Commuted Sum calculated as follows:

	£
Roads	To be determined in accordance with paragraph 1.2.5 of Schedule 1
Footways	To be determined in accordance with paragraph 1.2.5 of Schedule 1
Drainage	To be determined in accordance with paragraph 1.2.5 of Schedule 1

Traffic Signals	To be determined in accordance with paragraph 1.2.5 of Schedule 1
Verges, Trees and Street Furniture	To be determined in accordance with paragraph 1.2.5 of Schedule 1

- 17.2 Upon or after completion of the Onshore DCO Works (or if works under the East Anglia One North DCO have or are reasonably expected to be implemented and the expected date of completion of construction of the equivalent onshore works under that DCO is later, upon or after that later date) the Developer may require the County Council to evidence what monies have been properly applied to the maintenance of the relevant part of the Highway Works and in the event that the full value of the Commuted Sum has not been exhausted by such proper maintenance the County Council shall forthwith return the balance of the Commuted Sum (together with any interest accrued thereon) to the Developer.

18 LEGAL AND ADMINISTRATIVE COSTS

- 18.1 The Developer shall pay to the County Council:-

- 18.1.1 the whole of the reasonable costs of the County Council's Legal Services Department in connection with the preparation and completion of this Agreement and these costs shall be payable prior to sealing of this Agreement;
- 18.1.2 interest at four per cent above the Bank of England Base Rate from time to time on any sum due to the County Council under this Agreement which is outstanding for more than twenty eight (28) days from the date on which it was demanded or in the event that a dispute or difference regarding such payment is referred to arbitration pursuant to clause 5.1 of this Agreement the said twenty eight (28) day period shall run from the date of the decision of the arbitrator (such interest to be charged on the amount outstanding each day from the date of issue of a written demand for any sum due or in the event that a dispute or difference regarding such payment is referred to arbitration pursuant to clause 5.1 of this Agreement such interest to be charged on the amount outstanding each day from the date of issue of the decision of the arbitrator)

- 18.1.3 The sum of £10,000 (Ten thousand pounds) towards the costs and expenses of the County Council of checking and approving the design of each and all of the Highway Works and inspecting each and all of the Highway Works shall be payable prior to technical approval of the first Highway Works pursuant to Paragraph 1.2.2 and, in the event that, at any point, 7½% of the Performance Bond Figure or Performance Bond Figures (excluding in each case the costs associated with statutory undertakers work and traffic management), is greater than the said sum of £10,000 (Ten thousand pounds) the difference shall be payable prior to commencement of further Highway Works
- 18.1.4 the reasonable cost to the County Council of undertaking Road Safety Audits and also the cost of the safety checks of details submitted which sum shall be payable prior to the safety audit commencing
- 18.1.5 the reasonable cost of any temporary and permanent traffic regulation orders which sum shall be payable prior to any work on the making of such Order being commenced
- 18.1.6 the reasonable cost of any other road traffic orders required to facilitate the Highway Works which sum shall be payable prior to any work on the making of such Order being commenced

19 NOISE REGULATIONS

- 19.1.1 The Developer covenants with the County Council to comply with the requirements of the Noise Insulation Regulations 1975 (SI 1975/1763) as amended to the extent such Regulations are engaged by the Highway Works and to provide to the County Council such evidence as is reasonably required by the Director to demonstrate compliance with the Noise Insulation Regulations 1975 prior to the issuing by the County Council of the Certificate of Final Completion in accordance with paragraph 15.3 of this Schedule

20 INDEMNITY

- 20.1.1 The Developer shall from the date of commencement of the Highway Works indemnify the County Council against all claims charges costs expenses liability or loss whatsoever arising out of any or all of the Highway Works provided that the Developer's indemnity will not extend to any claims submitted to the County Council arising out of the negligence of the County

Council's employees or arising out of any works of alteration carried out to any of the Highway Works by the County Council after the issue of the related Certificate of Final Completion

- 20.1.2 The County Council shall notify the Developer forthwith upon receipt of any such claim or liability
- 20.1.3 The County Council shall not accept or settle any claim without first having given the Developer the opportunity to provide the County Council with representations as to the validity of such claim
- 20.1.4 The indemnification referred to in paragraph 20.1 includes:
 - 20.1.5 all fees incurred by claimants which the County Council is obliged to pay, and those of the County Council or its agent or contractor, in negotiating any claims (together with VAT payable on the claimants' professional advisors' fees);
 - 20.1.6 statutory interest payments to claimants and their professional advisors; and
 - 20.1.7 the County Council's reasonable and proper legal costs in making the compensation, fees and interest payments

SCHEDULE I

1 THE DESIGN OF THE HIGHWAY WORKS

- 1.1 The design of the Highway Works shall be to the satisfaction of the Director (the Director being obliged to act reasonably) with due consideration of the Technical Standards
- 1.2 No work on any particular Highway Works shall commence and no Contract for their construction shall be let until in respect of those works
 - 1.2.1 full details of the design of the Highway Works to be commenced in the form of plans, drawings, specifications and other materials have been submitted to the Director together with the name of the principal designer (whom the Developer shall appoint for the full duration of the design and construction of each and all of the Highway Works) in accordance with the CDM Regulations and any codes of practice referred to therein
 - 1.2.2 the Director has given his written approval to the relevant part of the Highway Works to be commenced and such approval shall not be given if the said plans, drawings, specifications and other documentation have not adequately addressed the issues raised in the pre-construction stages of the Road Safety Audit process and if given shall lapse if the Highway Works are not commenced within twelve (12) months of the date of the said Director's approval
 - 1.2.3 the reasonable estimate of the cost (including the costs associated with statutory undertakers work and traffic management) plus 10 per cent in respect of those Highway Works has been submitted to and approved in writing by the Director;
 - 1.2.4 the proposed Surety for the Performance Bond in respect of those Highway Works has been submitted to and approved in writing by the Director;
 - 1.2.5 the proposed value of the Commuted Sum in respect of that part of the Highway Works has been submitted to and agreed in writing by the Director and paid to the County Council; and

- 1.2.6 Evidence that the relevant Highway Works are fully within the boundary of the Highway adopted by the County Council has been submitted to and approved in writing by the Director.

Provided always and for the avoidance of doubt that nothing in this Agreement is intended to (i) prevent submission and approval at different times for different works pursuant to this paragraph 1.2 (or indeed any other provision of this Agreement) or (ii) prevent submission and approval of works pursuant to this paragraph 1.2 (or indeed any other provision of this Agreement) and/or implementation of any Highway Works in accordance with this Agreement prior to approval of the Construction Traffic Management Plan.

- 1.3 If the Director does not propose to give his approval in relation to those matters referred to in paragraph 1.2 of this Schedule he shall in each case as soon as possible in writing inform the Developer and if the Director requires amendments or additions to the plans drawings specifications and other materials referred to in paragraph 1.2 of this Schedule these amendments shall be undertaken by the Developer at his own expense and a revised set of updated documents shall be re-submitted to the Director for his approval
- 1.4 Without prejudice to paragraph 1.2 of this Schedule, the Director shall not give his approval as referred therein until the Developer has paid the sum referred to in paragraph 18.1.3 towards the cost of checking the design of the Highway Works and inspecting the Highway Works. The Highway Works at all times shall be carried out in accordance with the plans, drawings, specifications and other materials which have received the Director's approval referred to in paragraph 1.2 of this Schedule and the Developer shall in the execution of the Highway Works comply or ensure that the Contractor complies with the Technical Standards

2 LETTING OF THE CONTRACT

- 2.1 No Contract shall be let until all traffic management measures have been prepared by the Developer and approved in writing by the Director ("the approved programme") and thereafter each of the Contracts will be offered to an Approved Contractor
- 2.2 The Contract to be let under paragraph 2.1 of this Schedule shall be let under NEC3 suite of contracts (and any amendments thereto shall be approved by the Director) and the Developer shall obtain the agreement of the Contractor to be bound by the agreed drawings in Schedule IV (as amended and supplemented pursuant to this Agreement)

- 2.3 The Contract shall be awarded by the Developer subject to the Director having first given his written approval to the proposed chartered engineer(s) or other suitably qualified person(s) who shall be independent of the Contractor and will supervise the execution of the Highway Works by the Contractor
- 2.4 The Developer shall not award the Contract unless the Approved Contractor and the Approved Sub-Contractor/s concerned are insured throughout the period of the Contract (such period to include the maintenance period detailed in paragraph 15.1 of this Schedule) for public liability risks in the sum of at least ten million pounds (£10,000,000) in respect of any single claim and the Developer shall ensure that the Contractor remains so insured throughout the period of the Contract and prior to the commencement of each or all of the Highway Works or any maintenance works carried out in accordance with paragraph 15.1 of this Schedule the Developer shall produce to the Director insurance policies fully covering the Developer's liability in respect of the matters set out in this Agreement
- 2.5 The Developer shall not sub-contract or assign the Contract without the written approval of the Director and any sub-contractor shall be an Approved Sub-Contractor

3 INSPECTION OF THE HIGHWAY WORKS

- 3.1 The Developer shall provide the Director with not less than twenty four (24) hours nor more than seventy two (72) hours notice (excluding weekends and bank holidays) of any intended execution of the Highway Works specifying the tasks to be carried out in accordance with the approved programme referred to in paragraph 2.1 of this Schedule
- 3.2 Without prejudice to the approved programme the Developer shall notify the Director in writing at least twenty eight (28) days prior to the commencement of any work connected with statutory undertaker's equipment
- 3.3 The Developer shall during the progress of each and all of the Highway Works give to or procure for the Director and any person or persons duly authorised by him free access to every part of the Highway Works and the site thereof and permit him or them to inspect the same as they proceed and all materials used or intended to be used therein and shall give effect to any reasonable and proper requirements made or reasonable and proper directions given by the Director to conform to the approved detailed plans drawings and specification referred to in paragraph 1.2 of this Schedule

- 3.4 The Developer shall not cover up or put out of view any works forming part of the Highway Works without the approval of the Director and shall afford full opportunity for the Director to examine and measure any work which is about to be covered up or put out of view and to examine foundations before permanent work is placed thereon and shall give at least seventy two (72) hours' notice to the Director whenever any such work or foundations is or are ready or about to be ready for examination
- 3.5 The Director shall without unreasonable delay, unless she considers it unnecessary and advises the Developer accordingly, attend when required by the Developer for the purpose of examining such works or of examining such foundations
- 3.6 The Director shall for the purposes of paragraphs 3.1 to 3.5 be allowed reasonable access and admission to the Highway Works or the places where materials or plant for the Highway Works may be stored or in the course of preparation manufacture or use (unless such access or admission is refused due to circumstances beyond the control of the Developer)

4 TESTING OF MATERIALS

- 4.1 The Developer shall reimburse the County Council for all reasonable costs and expenses whatsoever arising from the operation of paragraphs 4.2 to 4.5
- 4.2 The Director shall require the testing of materials plant and workmanship used or proposed to be used in the Highway Works and in his reasonable discretion have the power to reject any materials plant or workmanship so tested which he may reasonably and properly find to be not in accordance with the approved detailed plans drawings and specification referred to in paragraph 1.2 of this Schedule
- 4.3 The Developer shall as soon as is reasonably practicable replace or repair any materials plant or workmanship which have been found to be not in accordance with the approved detailed plans drawings and specification referred to in paragraph 1.2 of this Schedule
- 4.4 The Director shall for the purposes of paragraphs 4.1-4.5 be allowed reasonable access and admission to the Highway Works or the places where materials or plant for the Highway Works may be stored or in the course of preparation manufacture or use (unless such access or admission is refused due to circumstances beyond the control of the Developer)

- 4.5 The Developer shall as soon as is reasonably practicable remove such materials and plant as are rejected by the Director pursuant to paragraph 4.2. of this Schedule which are not capable of repair or remedy from the site of the Highway Works and if the Developer shall wish to continue to store such rejected materials and plant on the site of each and all of the Highway Works they shall be stored separately from those materials and plant which have not been so rejected or which the Developer shall wish in future to use in execution of the Highway Works

5 OPENING OF THE HIGHWAY WORKS

- 5.1 During the construction of each and all of the Highway Works and prior to the issue of the Certificate of Completion:

5.1.1 the Director may issue instructions to the Developer to open or expose any of the Highway Works which has been covered up without previously being inspected by the Director

5.1.2 should the Developer fail to comply with any such instructions the County Council may so take up or expose the relevant part of the Highway Works causing as little damage or inconvenience as is possible in respect of any other part or parts of the Highway Works the reasonable and proper cost of such taking up or exposure and reinstatement to be met by the Developer

PROVIDED THAT if the Highway Works or any part or parts thereof are covered up by the Developer after giving the notice referred to in paragraph 3.4 of this Schedule and the Director shall have failed to inspect in the period therein referred to and the Director shall subsequently require the Highway Works or any part of them to be uncovered for the purposes of inspection:-

- (a) if inspection reveals the relevant part or parts of the Highway Works to have been completed in accordance with the approved detailed plans drawings and specification referred to in paragraph 1.2 of this Schedule all costs in respect of such uncovering and inspection and of reinstating the part or parts of the Highway Works uncovered shall be borne by the County Council; or
- (b) if inspection reveals the relevant part or parts of the Highway Works not to have been completed in accordance with the approved detailed plans drawings and specifications referred to in paragraph 1.2 of this Schedule

all reasonable and proper costs in respect of uncovering and inspection and of reinstating the part or parts of the Highway Works uncovered shall be borne by the Developer

6 UNDERTAKERS

6.1 Insofar as the County Council as Highway Authority is required by any legislation regulation direction or code of practice (including in particular but without prejudice to the generality of the foregoing the New Roads and Street Works Act 1991) to serve a notice or notices in respect of the Highway Works on undertakers or other persons the Developer shall comply with such requirement on behalf of the County Council before the Highway Works commence and shall thereafter assume on behalf of the County Council such responsibilities as follow on therefrom in particular during the construction of the Highway Works and prior to the issue of the Certificate of Substantial Completion the Developer shall also:-

- (a) carry out or procure the carrying out of such works and activities in regard to the plant and equipment of undertakers as are required by undertakers in accordance with their statutory powers under the New Roads and Street Works Act 1991 as a result of the construction or intended construction of each and all of the Highway Works
- (b) cause all public sewers, highway drains gas and water mains electric cables and telecommunications ducts or other apparatus which are to be laid by the Developer under the Highway Works together with all necessary connections from them to the boundary of the Highway Works to be laid so far as is practicable under the Highway Works before the foundation of the Highway Works are laid and shall also in so far as is practicable cause the connections from electric cables to any street lamp to be laid before the paving of the footways comprised in the Highway Works is carried out

13.1 The Developer shall be the only client for the purpose of the CDM Regulations and the Developer agrees to undertake the obligations of a client under the CDM Regulations and to use all reasonable endeavours to ensure that the Highway Works are carried out in accordance with the CDM Regulations

- 13.2 The relevant Highway Works shall not commence until the Developer as the only client has provided to the Director:
- 13.2.1 an estimate of the number of working days and/or person days of construction work and the number of workers working on site simultaneously at any one point in the project which the Contract will entail
 - 13.2.2 written details of the principal designer and the principal contractor appointed for the project and also provide copies of the Construction Phase Plan and Health & Safety File
 - 13.2.3 a copy of the Notification of Project (form HSE F10) to the HSE pursuant to Regulation 6 of the CDM Regulations
- 13.3 Throughout the Highway Works the Developer shall provide to the Director copies of the updates and revisions to the construction phase plan and Health and Safety File in relation to the Highway Works pursuant to Regulation 12
- 13.4 Within 28 days of issue of the Certificate of Substantial Completion for any or all of the Highway Works the Developer shall provide to the Director
- 13.4.1 a plan showing the land over which those Highway Works have been constructed and
 - 13.4.2 a Health and Safety file conforming in all respects with the CDM Regulations and which shall accord with the current format used by the County Council to include a separate Health and Safety File for each structure
 - 13.4.3 The Director shall be at liberty to delay issue of the Certificate of Final Completion in respect of any of the Highway Works if the Developer fails to provide the Director with the documents referred to in 13.4.1 and 13.4.2 above within twenty eight (28) days of issue of any Certificate of Substantial Completion for any of the Highway Works equivalent to the number of days after the twenty eight (28) day period that the documents were submitted
- 13.5 In respect of the Highway Works generally the Developer shall provide to the Director the final information in both paper and electronic format and shall at least comprise:
- 13.5.1 1:500 scale (or alternative scale as may be specified by the Director) "as built" drawings

- 13.5.2 records of the earthworks showing sources of material used in areas of fill description of fill materials descriptions of sub-grades in cut areas copies of results of tests of material carried out as part of the supervision of the construction of the earthworks
- 13.5.3 records of the sources of supply of all deliveries of road construction materials with details of the location of the Highway Works at which each load is placed
- 13.5.4 records of the sources of supply of all other manufactured materials (e.g. drainage goods, fencing materials, traffic signs, electrical components and cables etc used for the Highway Works.
- 13.6 The Developer shall indemnify and keep the County Council indemnified against any breach of the Developer's obligations under this paragraph
- 14 SITE CLEARANCE AND CERTIFICATE(S) OF SUBSTANTIAL COMPLETION
- 14.1 On Substantial Completion of the Highway Works the Developer shall:-
 - 14.1.1 clear away and remove from the site of the Highway Works all constructional plant and temporary works of every kind and leave the site of the Highway Works in a neat and tidy condition to the satisfaction of the Director (the Director being obliged to act reasonably) and
 - 14.1.2 carry out stage 3 of the Road Safety Audit process and comply to the satisfaction of the Director (the Director being obliged to act reasonably) with recommendations arising thereunder prior to the opening of the Highway Works to the public
- 14.2 Upon Substantial Completion of the relevant part of the Highway Works including any additional work resulting from stage 3 of the Road Safety Audit process to the satisfaction in all respects of the Director (the Director being obliged to act reasonably) he shall issue a Certificate of Substantial Completion in respect of those Highway Works to the Developer provided that all costs and expenses owing to the County Council have been paid in respect of those Highway Works
- 14.3 Where the Developer has provided a Performance Bond , then after the issue of a relevant Certificate of Substantial Completion the County Council may approve a reduction of up to 90% of the Performance Bond Figure in respect of the relevant Highway Works and the County Council may release the Developer and the Surety

and each of them from their obligations under the Performance Bond in respect of the relevant Highway Works to such extent (noting for the avoidance of doubt that the bond relevant to the Friday Street Mitigation Scheme reinstatement shall not be reduced below the level estimated to be required for reinstatement works unless and until (i) the relevant Highway Works have been removed pursuant to Clause 6.9 and a Certificate of Substantial Completion issued in respect thereof or (ii) the time period for issuing a Notice to Remove pursuant to Clause 6.9 has expired and no Notice to Remove in respect of the relevant works has been issued).

15 DEFECTS CORRECTION PERIOD AND CERTIFICATE OF FINAL COMPLETION

- 15.1 With the exception of (i) the traffic signal and associated electrical equipment forming part of the Friday Street Mitigation Scheme; and (ii) the works to remove the Friday Street Mitigation Scheme pursuant to Clause 6.9 (which works shall, irrespective of anything to the contrary in this agreement, be issued a Certificate of Final Completion at the same time as being issued a Certificate of Substantial Completion) the Developer shall maintain each and all of the Highway Works for a period of eighteen (18) months (unless the Director agrees in writing a lesser period having considered paragraph 15.2) from the issue of the related Certificate of Substantial Completion and prior to the expiration of the relevant period the Developer shall reinstate and make good any damage or defect which may have arisen from any cause whatsoever or be discovered during the said period (including any defect in or damage to the surface water drainage system) so as to place the highway and the relevant Highway Works in a condition satisfactory to the Director (the Director being obliged to act reasonably).
- 15.2 After the expiration of the period of twelve (12) months from Substantial Completion or the date the Onshore DCO Works commenced (whichever is the latter) and other than in respect of (i) the traffic signal and associated electrical equipment forming part of the Friday Street Mitigation Scheme; and (ii) the works to remove the Friday Street Mitigation Scheme pursuant to Clause 6.9, the Developer shall (unless the Director writes to the Developer informing him that it is to be carried out sooner or that he does not need to do so) carry out stage 4 of the Safety Audit and comply to the satisfaction of the Director with any recommendations arising thereunder.
- 15.3 After the expiration of the relevant period referred to in paragraph 15.1 (or such lesser period as agreed in writing by the Director under paragraph 15.1) and after any defects have been made good as therein provided including any improvements arising under stage 4 of the Road Safety Audit to the satisfaction of the Director and the Commuted

Sum has been paid to the County Council and after the provisions of paragraph 13.4 of this Schedule have been fulfilled the Director shall as soon as reasonably practicable issue to the Developer the Certificate of Final Completion in respect of the relevant Highway Works provided that the Certificate of Final Completion shall in the case of road gullies extend only as far as their points of entry to the surface water sewers where those are not being adopted by the County Council as highway drains and the County Council shall as soon as reasonably practicable upon issue of a Certificate of Final Completion (pursuant to paragraph 15.1, 15.3 or otherwise) release the Developer and the Performance Bond Surety and each of them from all subsisting obligations under the Performance Bond in respect of those Highway Works.

16 PERFORMANCE BOND

16.1 Without expense to the County Council the Developer and the Performance Bond Surety shall prior to commencing the relevant Highway Works enter into the Performance Bond for those Highway Works and the Developer and Surety shall be bound to the County Council in the amount of the Performance Bond Figure for the relevant Highway Works

16.2 Should the Developer default in the execution of its obligations in carrying out any or all of the relevant Highway Works and to maintain the same in accordance with the provisions of this Agreement then the County Council may (subject to the provisions hereinafter contained) itself complete Highway Works that have been commenced by the Developer (and for the avoidance of doubt including any removal of the Friday Street Mitigation Scheme where required pursuant to this Agreement) and maintain the same as aforesaid having first called upon the Performance Bond Surety for the cost to be expended in so doing

16.2.1 Unless there is a danger to users of the highway the County Council shall give 20 working days prior written notice (or lesser period as may in the circumstances be reasonable) of its intention to commence work under Paragraph 16.2

16.2.2 any notice served under this paragraph shall specify the period of the notice ("the notice period") the extent of the work which the County Council proposes to carry out and full details of all matters in respect of which the Director considers that the Highway Works have not been carried out in accordance with the terms of this Agreement

16.2.3 if before the expiry of the notice period the Developer serves written notice upon the County Council that the Developer intends diligently to execute the works specified in the notice in accordance with the terms of this Agreement and specifies a time to complete that the County Council considers reasonable in the circumstances the County Council shall not be entitled to execute the relevant part or parts of the Highway Works specified in the notice served under this paragraph unless the Developer then fails to execute those works within the agreed time scale

16.3 If the Developer should default in the execution of its obligations in carrying out any or all of the relevant Highway Works and to maintain the same in accordance with the provisions of this Agreement then the County Council will call upon the Performance Bond Surety to provide the full Performance Bond amount in accordance with this Agreement. Save that the County Council after all works required to remedy any default by the Developer are completed and all contracts and any contract claims settled will return any Performance Bond sum unused with interest at the Bank of England Base Rate minus 2 basis points, compounding annually at financial year end on receipt of a written request to the Surety within one month of all the aforementioned completing and settling. If for any period the Bank of England Base Rate is at or below 0.02% then no interest shall be payable for that period by any party to this Agreement

17 COMMUTED SUMS FOR MAINTENANCE

17.1 Prior to the commencement of the relevant Highway Works, the Developer shall pay to the County Council the relevant Commuted Sum calculated as follows:

	£
Roads	To be determined in accordance with paragraph 1.2.5 of Schedule 1
Footways	To be determined in accordance with paragraph 1.2.5 of Schedule 1
Drainage	To be determined in accordance with paragraph 1.2.5 of Schedule 1

Traffic Signals	To be determined in accordance with paragraph 1.2.5 of Schedule 1
Verges, Trees and Street Furniture	To be determined in accordance with paragraph 1.2.5 of Schedule 1

- 17.2 Upon or after completion of the Onshore DCO Works (or if works under the East Anglia One North DCO have or are reasonably expected to be implemented and the expected date of completion of construction of the equivalent onshore works under that DCO is later, upon or after that later date) the Developer may require the County Council to evidence what monies have been properly applied to the maintenance of the relevant part of the Highway Works and in the event that the full value of the Commuted Sum has not been exhausted by such proper maintenance the County Council shall forthwith return the balance of the Commuted Sum (together with any interest accrued thereon) to the Developer.

18 LEGAL AND ADMINISTRATIVE COSTS

- 18.1 The Developer shall pay to the County Council:-

- 18.1.1 the whole of the reasonable costs of the County Council's Legal Services Department in connection with the preparation and completion of this Agreement and these costs shall be payable prior to sealing of this Agreement;
- 18.1.2 interest at four per cent above the Bank of England Base Rate from time to time on any sum due to the County Council under this Agreement which is outstanding for more than twenty eight (28) days from the date on which it was demanded or in the event that a dispute or difference regarding such payment is referred to arbitration pursuant to clause 5.1 of this Agreement the said twenty eight (28) day period shall run from the date of the decision of the arbitrator (such interest to be charged on the amount outstanding each day from the date of issue of a written demand for any sum due or in the event that a dispute or difference regarding such payment is referred to arbitration pursuant to clause 5.1 of this Agreement such interest to be charged on the amount outstanding each day from the date of issue of the decision of the arbitrator)

- 18.1.3 The sum of £10,000 (Ten thousand pounds) towards the costs and expenses of the County Council of checking and approving the design of each and all of the Highway Works and inspecting each and all of the Highway Works shall be payable prior to technical approval of the first Highway Works pursuant to Paragraph 1.2.2 and, in the event that, at any point, 7½% of the Performance Bond Figure or Performance Bond Figures (excluding in each case the costs associated with statutory undertakers work and traffic management), is greater than the said sum of £10,000 (Ten thousand pounds) the difference shall be payable prior to commencement of further Highway Works
- 18.1.4 the reasonable cost to the County Council of undertaking Road Safety Audits and also the cost of the safety checks of details submitted which sum shall be payable prior to the safety audit commencing
- 18.1.5 the reasonable cost of any temporary and permanent traffic regulation orders which sum shall be payable prior to any work on the making of such Order being commenced
- 18.1.6 the reasonable cost of any other road traffic orders required to facilitate the Highway Works which sum shall be payable prior to any work on the making of such Order being commenced

19 NOISE REGULATIONS

- 19.1.1 The Developer covenants with the County Council to comply with the requirements of the Noise Insulation Regulations 1975 (SI 1975/1763) as amended to the extent such Regulations are engaged by the Highway Works and to provide to the County Council such evidence as is reasonably required by the Director to demonstrate compliance with the Noise Insulation Regulations 1975 prior to the issuing by the County Council of the Certificate of Final Completion in accordance with paragraph 15.3 of this Schedule

20 INDEMNITY

- 20.1.1 The Developer shall from the date of commencement of the Highway Works indemnify the County Council against all claims charges costs expenses liability or loss whatsoever arising out of any or all of the Highway Works provided that the Developer's indemnity will not extend to any claims submitted to the County Council arising out of the negligence of the County

Council's employees or arising out of any works of alteration carried out to any of the Highway Works by the County Council after the issue of the related Certificate of Final Completion

- 20.1.2 The County Council shall notify the Developer forthwith upon receipt of any such claim or liability
- 20.1.3 The County Council shall not accept or settle any claim without first having given the Developer the opportunity to provide the County Council with representations as to the validity of such claim
- 20.1.4 The indemnification referred to in paragraph 20.1 includes:
 - 20.1.5 all fees incurred by claimants which the County Council is obliged to pay, and those of the County Council or its agent or contractor, in negotiating any claims (together with VAT payable on the claimants' professional advisors' fees);
 - 20.1.6 statutory interest payments to claimants and their professional advisors; and
 - 20.1.7 the County Council's reasonable and proper legal costs in making the compensation, fees and interest payments
