Subject: RE: East Anglia Two : Ministry of Defence surveillance operations

Good afternoon, [REDACTED]

Further to your email and in accordance with the standard procedure, I am writing to formally request the discharge of Requirement 34 (Ministry of Defence surveillance operations) under Schedule 1, Part 3 of the East Anglia Two Development Consent Order.

As confirmed in the letter from the Ministry of Defence dated 11th November 2025, the MOD has recommended that the Secretary of State may consider Requirement 34 satisfied. The MOD considers that appropriate mitigation is in place and will be maintained for the life of the authorised development.

I look forward to hearing from you regarding the Secretary of State's decision.

Kind Regards

[REDACTED]
