Dear Sir/Madam,

Thank you for the opportunity to provide comment on the additional information provided by the applicant and the responses received from interested parties. The following response is submitted on behalf of Anglian Water.

We note that additional information has been provided by the applicant relating to ornithology, a designated Natura 2000 site, marine mammals, traffic movements, working hours and appearance of electrical equipment and notice of cable exposure. The information provided is outside of our role.

The proposed location of the new trenchless crossing does not appear to be located in the vicinity of existing water and water recycling infrastructure managed by Anglian Water. As such we have no further comments to make in relation to information provided and the responses received from interested parties.

Should you have any queries relating to this response please let me know.

Regards,

Stewart Patience, MRTPI

Spatial Planning Manager

Anglian Water Services Limited

Anglian Water, Thorpe Wood House, Thorpe Wood, Peterborough, Cambridgeshire. PE3 6WT
