1. Application Index – Hornsea Project Three Offshore Wind Farm

1.1 Introduction

- 1.1.1.1 This Index relates to an application “the Application” made by Orsted Hornsea Project Three Ltd “the Applicant” to the Secretary of State under the Planning Act 2008 for the Hornsea Three Offshore Wind Farm Order (“the Order”).
- 1.1.1.2 This Index forms part of the suite of Application documents for the Order which seeks development consent for Hornsea Project Three Offshore Wind Farm (“the Project”). The Project is a Nationally Significant Infrastructure Project (“NSIP”) which would authorise the construction and operation of up to 300 wind turbines together with associated infrastructure and all associated development.
- 1.1.1.3 This Index has been prepared in accordance with the guidance contained in the Planning Inspectorate’s Advice Note Six.
