Dear Kay, K-J

We are pleased to enclose Ørsted Hornsea Project Three (UK) Ltd ("the Applicant") response to Deadline 3, Friday 14 December 2018. These documents have been prepared by the Applicant and have been produced in response to the Examining Authority's (ExA) letter of 9 October 2018 ("the Rule 8 letter") as well as the Hearings (03-07 December 2018). The documents are pursuant to Rules 10(1) and (2) of the Infrastructure Planning (Examination Procedure) Rules 2010 and are in connection with the Development Consent Order application for the proposed Hornsea Project Three Offshore Wind Farm (hereafter referred to as "Hornsea Three").

These documents are being issued over a series of emails, each email containing a pdf file or files. The **last** email to be issued by the Applicant will contain a supporting file tracking sheet – to help the ExA ensure that it has received each email transmission.

Please acknowledge safe receipt of these documents. If we can be of any assistance in that regard, please do not hesitate to contact myself or Andrew Guyton.

Best regards,
Dr Dominika Chalder PIEMA
Environment and Consent Manager

Table of Contents

1. Introduction.....	1
2. Master Document List.....	1

1. Introduction

This document provides a guide to Ørsted Hornsea Project Three Development Consent Order application. The application was submitted to the Planning Inspectorate on 14th May 2018 and accepted for examination by the Examining Authority on 11th June 2018.

Since submission and through the examination process it is anticipated that some of the original application documents, in particular “live” documents such as the Development Consent Order and Outline Code of Construction Practice will be revised and new documents issued.

This guide charts the submission of these documents to the Planning Inspectorate through the examination process.

This is a live document and will be updated throughout the examination period and submitted, when updated, for each deadline.

2. Master Document List

The master document list table commences on the next page and provides a full list of all the documents submitted to date indicating either the latest revision (if applicable) or when a new document was submitted.

Blue highlighted documents being the latest versions / grey shaded documents being those now superseded.

For ease of navigation these documents are grouped by volumes (consistent with the groupings applied at the point of submission) as follows:

Volume	This volume...
Volume 1 - Application Form	provides details of the specific application information required by the Planning Inspectorate.
Volume 2 - Plans and Drawings	contains the plans which show where we propose to undertake the work.
Volume 3 - Development Consent Order	outlines the legal powers we are seeking from the Government to build Hornsea Project Three.
Volume 4 - Compulsory Acquisition	provides evidence of why we may require legal powers of compulsory acquisition.
Volume 5 - Reports	provides details of the pre-application consultation that we have undertaken on the project and Report to Inform Appropriate Assessment under Habitat Regulations.
Volume 6 - Environmental Statement	shows how we assessed the potential impact on the environment.
Volume 7 - Additional Application Information	includes additional documents produced for the application submission.
Volume 8 - Other Documents	includes additional documents produced for the application submission including “live” documents such as Outline management documents.
Volume 9 - Examination Submissions	is for documents submitted to the Planning Inspectorate through the examination process.
