Dear Sir/Madam

**Planning Act 2008 and the Infrastructure Planning (Examination Procedure) Rules 2010**

**Application by Vattenfall Wind Power Limited for an order granting development consent for the proposed Thanet Extension Offshore Wind Farm off the coast of Thanet, Kent**

**REQUEST FOR INFORMATION AND COMMENTS ON THE APPLICATION - EN010084**

Thank you for consulting us on the above.

**Draft requirement 13 wording - Saltmarsh Mitigation (Point 11)**

We have no objection to the proposed additional text suggested by the Secretary of State.

We agree with our colleagues in Natural England, letter dated 5 December 2019 that the requirement should state that the plans need to be submitted at least 4 months prior to the proposed works within the saltmarsh. This will allow interested parties time to review them.

Yours faithfully

**Ms Jennifer Wilson  
Planning Specialist**
