Subject: Norfolk Boreas Non Material Change Application

Dear Stephen Vanstone and Trevor Harris,

We would be grateful if you would acknowledge, on behalf of Trinity House, safe receipt of this email and its enclosures.

Norfolk Boreas and Norfolk Vanguard East Limited (the Applicant) has submitted an application to the Department for Business, Energy and Industrial Strategy (BEIS) seeking a non-material change to the Norfolk Boreas Offshore Wind Farm Order 2021.

The Application seeks to remove the limit on the maximum export capacity for the Norfolk Boreas Offshore Wind Farm (the Project). It also seeks a reduction in turbine numbers from 158 to 137. These amendments are sought to allow the Project to benefit from continuing technological developments in the offshore wind industry and to further reduce the costs of energy produced by the Project to the consumer in line with government policy.

Please find attached a letter in relation to the Application, including copies of documents in order to assist your consideration of the Application.

If you have any questions or require clarification on the content of the letter or accompanying information, please do not hesitate to contact us by emailing info@norfolkboreas.co.uk

Kind regards,

Ruari Lean
Norfolk Boreas Project Manager
