Dear Ester,

Planning Condition Discharge Letter for Norfolk Boreas Offshore Wind Farm, Ref EN010087

In relation to the planning condition for the above application, we can confirm that the radar mitigation agreed with Norfolk Boreas Limited under a legal agreement has now been implemented to our satisfaction.

We are therefore satisfied that the turbines can be erected for the purposes of the above condition, subject to on-going compliance with the Primary Radar Mitigation Scheme. It is therefore requested that written confirmation is given that turbines can be erected in accordance with the condition.

Please acknowledge receipt of this letter.

Yours Sincerely
