Dear Sir/Madam

Application by Drax Power Ltd for an Order Granting Development Consent for the Drax Re-power Project (the "Project")

This is a response on behalf of National Grid Electricity Transmission PLC (NGET) and National Grid Gas PLC (NGG)

NGET and NGG are close to finalising protective provisions with Drax Power Ltd. Our holding objection will be withdrawn once the agreements have been completed. This is estimated to be in the next week.

NGET and NGG hold no other objections in regards to this project.

I hope the above information is useful. If you require any further information please do not hesitate to contact me.

Yours sincerely

Spencer Jefferies
