Dear Ms Williams

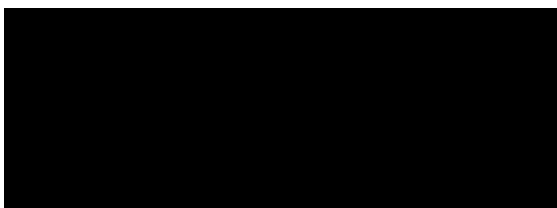

**RE: Application by Thurrock Power Limited for an Order Granting Development Consent for the Thurrock Flexible Generation Plant**

Thank you for providing Essex County Council (ECC) with a further opportunity to respond on the adequacy of pre-submission consultation for the Thurrock Flexible Generation Plant (TFGP) Development Consent Order application.

Further to my letter of 12<sup>th</sup> March 2020, I can confirm that at this stage ECC considers the pre-application consultation which has been undertaken by the applicant in relation to TFGP proposals to be adequate. We have no further comments to make.

I hope the above is of assistance – if you require further information on the contents of this letter, please contact Natalie Hayward (Principal Planner) as detailed below.

Yours sincerely

Matthew Thomas  
Growth and Development Manager
