

**Thurrock Flexible Generation Plant**  
**Planning Inspectorate Reference Number: EN010092**

**The Planning Act 2008**

**The Infrastructure Planning (Examination Procedure) Rules 2010**

**Certificate of Compliance**

I hereby certify that, in compliance with paragraphs 2 (a) to (f) of Annex A of the Examining Authority's ('the ExA') procedural decisions letter dated 2<sup>nd</sup> November 2020, the Applicant has done the following on or before Procedural Deadline C (Monday 14<sup>th</sup> December 2020):

- (a) Provided the ExA with the further information requested in Annex A to the ExA's letter of 2<sup>nd</sup> November 2020, together with details of any consultation undertaken, responses received and how any responses have been taken into account;
- (b) In accordance with paragraph 2(h) of the ExA's letter of 2<sup>nd</sup> November, published a notice ('the notice') setting out the information in paragraph 2(b)(i) to (xiii) of that letter. The notice was published in the Thurrock Gazette and in the Gravesend Messenger on 3<sup>rd</sup> and 10<sup>th</sup> December 2020 and in the Times, London Gazette, Lloyd's List and Fishing News on 10<sup>th</sup> December;
- (c) Displayed the notice as close as reasonably practicable to the site of the proposed development at a place accessible to the public;
- (d) Provided a copy of the notice for publication on the project page of the Planning Inspectorate's National Infrastructure website;
- (e) Published the notice on the Applicant's website, along with the further information requested by the ExA in the letter of 2<sup>nd</sup> November 2020;
- (f) Served a copy of the notice on any person of whom the Applicant has been notified under Regulation 11(1)(c) of the Planning Infrastructure (Environmental Information Assessment) Regulations 2017; and
- (g) Sent to the consultation bodies a copy of the notice and electronic links to the further information and informed those bodies of how and to whom they may make representations and of the deadline for making representations.

I further certify that the notice included details of the postponement of Part 2 of the Preliminary Meeting until 16th February 2021.

The above actions were taken in relation to the application for an order to grant development consent for the Thurrock Flexible Generation Plant at the location of north of the existing Tilbury National Grid substation, south west of Station Road near Tilbury, Essex, British National Grid reference coordinates: TQ662766.
