Dear Ms Williams

I am making the below submission on behalf of Highways England in relation to the above referenced scheme at Deadline 1. I would be grateful if you could please confirm receipt.

Kind regards
Jess

Dear Ms Williams,

Application for the Thurrock Flexible Generation Plant Development Consent Order (EN010092)

This email constitutes Highways England's Deadline 1 submission. Highways England wishes to make the following submissions:

Notification of wish to attend Issue Specific Hearing(s)

Highways England wishes to attend, and participate in if required, the Issue Specific Hearings on traffic and transport and the draft Development Consent Order. Highways England may wish to attend and participate, if required, in further Issue Specific Hearings and will be able to confirm once the proposed topics have been published by the Examining Authority.

ExA Site Inspection – suggested locations

Highways England requests that the Examining Authority visits the ASDA roundabout on foot to observe vehicle movements and in particular HGV movements and the speed with which they approach/negotiate this junction. We also request that that Examining Authority undertakes the U-Turn movement at the ASDA Roundabout from the southern approach that the construction HGVs from the port will undertake so that they can experience the manoeuvre and the adverse camber at this junction.

Notification of wish to have future correspondence electronically

Highways England is happy to continue receiving correspondence electronically via the planningse@highwaysengland.co.uk mailbox.
