Dear Tracey,

Applicant's Deadline 5a submission

I confirm that the applicant will wish to speak at the CAH and OFH.

With respect to comments on relevant representations made at Deadline 5, our comment on Highways England's RR is that the applicant has now agreed protective provisions with Highways England and understands that Highways England will be submitting the wording of these today for Deadline 5a. The applicant will include the agreed protective provisions in the next revision of the DCO.

We do not have any other comments on relevant representations or submissions to make for Deadline 5a.

Best regards,
Tom
