

## Joint Statement with National Grid

August 2021

## 1.1 Purpose of this document

- 1.1.1 This is a joint statement between the Applicant, Thurrock Power Ltd (“TPL”), and National Grid Electricity Transmission plc and National Grid Gas plc (together “National Grid”) in relation to the Thurrock Flexible Generation Plant DCO application. It sets out the matters which have been agreed and reflects the current position between the parties.

## 1.2 Matters that are agreed

- 1.2.1 The protective provisions in favour of National Grid and other arrangements between the Applicant and National Grid have been agreed.
- 1.2.2 The Applicant and National Grid are in the process of finalising the other arrangements and National Grid retains its objection until these are in place but it is hoped this can be concluded by the end of the examination. The Applicant has included the final agreed protective provisions in favour of National Grid in the version of the draft DCO being submitted at Deadline 7.
- 1.2.3 There are no outstanding matters of disagreement between the parties.
