

### ATTACHMENT 1

#### Checklist of details required by Regulation 4(2) of the Infrastructure Planning (Changes to, and Revocation of, Development Consent Orders) Regulations 2011

Regulation	Requirement	Response
4(2)(a)	Name and address of the applicant	Name: Net Zero Teesside Power Limited and Net Zero North Sea Storage Limited  Registered office addresses: Chertsey Road, Sunbury On Thames, Middlesex, United Kingdom, TW16 7BP
4(2)(b)	Name and address of an agent, if appointed	DWD Property and Planning Limited 69 Carter Lane London EC4V 5EQ c/o [REDACTED]
4(2)(c)	Secretary of State's reference for the development consent order to which the application relates	The Net Zero Teesside Order 2024 (the "Order")  (SI 2024 No. 174)  PINS ref: EN010103
4(2)(d)	Details of the change being applied for	The non-material change application seeks the following changes (together 'the Proposed Changes') to Schedule 1 'Authorised Development' of the Order:  <ol style="list-style-type: none"> <li><b>Change 1</b> – The addition of 'Work No. 6A' which would comprise an Above Ground Installation ('AGI') for the CO<sub>2</sub> gathering network and associated apparatus to be located at Seal Sands and the addition of 'Work No 9G' consisting of a temporary construction laydown area to be located on land adjacent to the new AGI at Work No. 6A. The proposed AGI under Work No. 6A is located within the existing Order Limits, with the proposed temporary laydown area requiring new land to be included within the Order Limits. The temporary laydown is needed to facilitate the construction of the AGI.</li> <li><b>Change 2</b> – An extension to the area allocated for Work No. 2B (natural gas AGI) at the CATS Terminal (Seal Sands). This minor expansion of the proposed AGI area for Work No. 2B follows further detailed land discussions with interested parties and is located entirely within the existing Order Limits and within the existing area of Work No. 2A (natural gas pipeline).</li> <li><b>Change 3</b> – Within the Power, Capture and Compression ('PCC') Site, the Applicants propose the addition of a new AGI under Work No. 6A and the realignment of the CO<sub>2</sub> gathering network under Work No. 6. Both the new AGI and realigned CO<sub>2</sub> pipeline are located entirely within the existing Order Limits.</li> <li><b>Change 4</b> – Areas of land to be added to existing Work No. 3A (electrical connection), including areas both within and outside the existing Order Limits. The proposed</li> </ol>

		<p>additional areas of above ground and underground high voltage ('HV') electrical cabling under Work No. 3A will also include two support structures adjacent to existing bridges over the Tees Valley Line, River Fleet and existing pipelines to support the cables (rather than using the existing bridges as previously specified).</p> <p>In association with the Work No. 3A change set out above (Change 4), the non-material change application also requests a change to Requirement 3(4) of Schedule 2 'Requirements' of the Order, as a means to ensure that details of the two proposed cable support structures are submitted for the approval of the relevant planning authority.</p> <p>The Non-Material Change Application has requested to make the above changes to the Order and includes a draft Amendment Order.</p>
4(2)(e)	Any documents or plans considered necessary to support the application	<ol style="list-style-type: none"> <li>1. An Application Statement (in the form of a letter);</li> <li>2. The Order;</li> <li>3. The Correction Order;</li> <li>4. A draft Amendment Order;</li> <li>5. A copy of the Order with the proposed amendments showing in track changes;</li> <li>6. A Regulation 4(2) Checklist (this checklist).</li> <li>7. A copy of the Regulation 7(3) letter sent to the Secretary of State on 22<sup>th</sup> July 2024;</li> <li>8. A copy of the consultee list sent to the Secretary of State on 5<sup>th</sup> November 2024;</li> <li>9. A copy of the newspaper notice to be published in local newspapers (a copy of the notice as published will be provided as part of the Consultation Statement to be submitted after the consultation requirements have been completed);</li> <li>10. Environmental Statement Addendum (January 2024), consisting of: <ul style="list-style-type: none"> <li>• DCO Non-Material Change ES Addendum Volume 1 – Main Text (DCO Doc Ref. 6.7a)</li> <li>• DCO Non-Material Change ES Addendum Volume 2 – Figures (DCO Doc Ref. 6.7b)</li> <li>• DCO Non-Material Change ES Addendum Non-Technical Summary (DCO Doc Ref. 6.7c)</li> </ul> </li> <li>11. Updated certified plans comprising the following: <ul style="list-style-type: none"> <li>• Land Plans – Revision 7 (DCO Doc Ref. 4.2);</li> </ul> </li> </ol>

		<ul style="list-style-type: none"> <li>• Works Plans – Revision 7 (DCO Doc Ref. 4.4);</li> <li>• Access and Rights of Way Plans – Revision 7 (DCO Doc Ref. 4.5).</li> <li>• Landscape and Biodiversity Plan – Revision 5 (DCO Doc Ref. 4.15);</li> <li>• Net Zero Teesside &amp; Anglo American Shared Areas Plan – Revision 2 (DCO Doc Ref. 4.17);</li> <li>• Sembcorp Pipeline Corridor – Protective Provisions Supporting Plan (DCO Doc Ref. 4.19);</li> <li>• Sembcorp Protection Corridor – Protective Provisions Supporting Plan (DCO Doc Ref. 4.20);</li> </ul> <p>12. Application Guide – Revision 20 (DCO Doc Ref. 1.2)</p> <p>13. Second Supplementary Book of Reference (DCO Doc Ref. 3.1b)</p> <p>14. Design and Access Statement – Revision 6 (DCO Doc Ref. 5.4)</p> <p>15. Habitats Regulations Assessment Addendum – (DCO Doc Ref. 5.13a)</p> <p>16. Site Location Plan – Revision 6 (DCO Doc Ref. 4.1) (Key Plan and Sheets).</p> <p>17. NZT NMC – Site Boundary Comparison Plan – Revision 1 (DCO Doc Ref. 9.54).</p>
4(2)(f)	A statement as to the status of the applicant, as referred to in Regulation 4(2)(f)(i), (ii) and (iii)	The Applicant for this non-material change is Net Zero Teesside Power Limited and Net Zero North Sea Storage Limited, the Applicants who originally applied for the Order (Reg 4(2)(f)(i))
4(2)(ff)	The consultation and publicity statement referred to in Regulation 7A	This will be provided to the Department of Energy Security and Net Zero after the consultation requirements have been completed.
4(2)(g)	Details of the applicant's interest in the land	The Applicants have sought and are seeking options to acquire the necessary interests in land.
4(2)(h)	Any paper copies of the application and other supporting documents or plans, as may be requested by the Secretary of State	Paper copies have not been requested.
