Dear Mr Kean

Deadline 3A

**Application by Sunnica Limited for an order granting development consent
EN0100106**

I am pleased to submit the Applicant's Deadline 3A submissions. They consist of the following documents:

Document	Reason
Guide to the Application (Appendix A) [EN010106/APP/1.2]	As required by the examination timetable.
Access and Rights of Way Plans [EN010106/APP/2.3]	Corrections to the labelling for existing streets to reflect information provided by the local authorities in the Joint Local Impact Report. The corresponding amendments to the relevant schedules of the draft DCO [EN010106/APP/3.1] will be made in its next iteration.
ES Appendix 13C - Framework Construction Traffic Management Plan and Travel Plan [EN010106/APP/6.2]	Amendments to incorporate the Site Access Plans referred to in the Applicant's Deadline 3 submissions.
Design and Access Statement [EN010106/APP/7.3]	Annex B Design Principles – minor clarification to Table B-9 (page 81) to place a tick in the operation column for access Sunnica East Sites A and B Access A (access SE-A on the Access and Rights of Way Plans). This reflects the accompanying text which clarifies that this access is to be retained in the operational phase for the use of emergency vehicles only.
Applicant's Response to the LIR - Annex E & F Response [EN010106/APP/8.45]	As committed to by the Applicant at Deadline 3.

Applicant's Response to the Written Representations [EN010106/APP/8.50]	As required by the examination timetable.
Applicant's response to other parties' Deadline 2 First Written Question Submissions [EN010106/APP/8.51]	As required by the examination timetable.
Update by the Applicant on Heritage Matters and Substation Connection [EN010106/APP/8.52]	<p>This note is being submitted by the Applicant to provide an update, in advance of the forthcoming Hearings, on four key issues that have been the subject of discussion during the Examination to date:</p> <ul style="list-style-type: none"> • the substation connection at Burwell; • the impacts of the Scheme on an area of potential archaeological importance at Snailwell (namely a Roman villa); • potential impacts to the B-50 bomber crash site close to Isleham; and • archaeological mitigation at field W04 (as shown numbered on the Parameters Plan [EN010106/APP/6.3]) of the Scheme. <p>The note is submitted to help inform discussions at the forthcoming Hearings and to assist the Examining Authority in shaping the agenda for those hearings.</p>

Further related submissions

The Applicant acknowledges that Dr Edmund Fordham's submissions are substantial and detailed. Although a response has been provided by the Applicant at this deadline, the Applicant is aware that these matters will be discussed at the forthcoming hearings and will therefore expand its response as necessary at and/or after those hearings.

In relation to the post hearing submissions by Cambridgeshire County Council, East Cambridgeshire District Council, Suffolk County Council and West Suffolk Council, the Applicant has considered the issues raised at this deadline, particularly in the context of ongoing discussions regarding a side agreement that would address the Councils' concerns relating to design approval, inspection and maintenance procedures. Where acceptable to the Applicant, it will include amendments in the updated draft DCO submitted at Deadline 4. Where changes are not acceptable to the Applicant, it will explain why at Deadline 4.

The Applicant also intends to respond to the comments on the Joint Local Impact Report submitted by Natural England and Say No To Sunnica Action Group Ltd at Deadline 4.

Kind regards,

Luke Murray
Sunnica Ltd
