Subject: Re: EN010106 – Sunnica Energy Farm

No we do not want swathes of our farmland destroyed.
No we do not want thousands of heavy lorries churning up our roads creating noise, dust and chaos on country roads.
No we do not want an industrial sized solar park in the middle of our land.

Yes we do need solar power, but put the panels on existing warehouses, industrial buildings, houses and existing car parks.
Or is that not profit making??
