Dear Mr Johansson,

SOUTH HUMBER BANK ENERGY CENTRE PROJECT - PROPOSED APPLICATION FOR AN ENERGY FROM WASTE POWER STATION AND ASSOCIATED DEVELOPMENT ON LAND AT THE SOUTH HUMBER BANK POWER STATION SITE, SOUTH MARSH ROAD, NEAR STALLINGBOROUGH, NORTH EAST LINCOLNSHIRE, DN41 8BZ

CONSULTATION IN ACCORDANCE WITH SECTION 46 'DUTY TO NOTIFY SECRETARY OF STATE OF PROPOSED APPLICATION' OF THE PLANNING ACT 2008

I write on behalf of EP Waste Management Ltd ('the Applicant'), a subsidiary of EP UK Investments Limited (EPUKI), in connection with the South Humber Bank Energy Centre Project (the 'Proposed Development').

The Applicant intends to submit an application (the 'Proposed Application') for a Development Consent Order (a 'DCO') under Section 37 of The Planning Act 2008 (the 'PA 2008') to the Secretary of State ('SoS') for Business, Energy and Industrial Strategy. The DCO, if made by the SoS, would authorise the construction, operation and maintenance of an energy from waste ('EfW') power station with a capacity of up to 95 MW gross output and associated development.

The site for the Proposed Development (the 'Site') primarily comprises undeveloped land within the boundary of the existing South Humber Bank Power Station Site (a combined cycle gas turbine power station) on South Marsh Road, near Stallingborough, located between Immingham and Grimsby in North East Lincolnshire.

This letter represents the Applicant's notification of the SoS of the Proposed Application pursuant to Section 46 'Duty to notify secretary of state of proposed application' of the PA 2008.

Section 42 'Duty to consult' of the PA 2008 requires prospective applicants for a DCO to consult on their proposed application with those persons specified in the PA 2008 and in regulations made pursuant to the Act. The Applicant will commence consultation pursuant to Section 42 by issuing a letter (the 'Consultation Letter') accompanied by consultation documents (the 'Consultation Documents') to the persons specified in the PA 2008 and in regulations made pursuant to the Act on or around 29 October 2019.

A notice pursuant to Section 48 'Duty to publicise' of the PA 2008 will be published in a national newspaper, the London Gazette and local newspapers circulating within the vicinity of the Site on 31 October 2019 and for a second successive week in the local newspapers on 7 November 2019.

In accordance with Regulation 13 'Pre-application publicity under section 48 (duty to publicise)' of The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (the 'EIA Regulations'), the Applicant will also send a copy of the Section 48 Notice to the relevant consultation bodies and to any person notified to the Applicant in accordance with EIA Regulation 11(1)(c) on or around 29 October 2019.

The deadline stated in the Consultation Letter (and on the Section 48 Notice) for the receipt of comments and representations on the Proposed Application is 11.59pm on 13 December 2019.

The Consultation Documents that are to be provided to the persons specified in the PA 2008 and in regulations made pursuant to the Act are contained on the USB drive that accompanies this letter and include:

- sample copies of the consultation letters (four versions) sent to the persons specified in the PA 2008 and in regulations made pursuant to the Act (Section 42 and EIA Regulation 13) in addition to non-prescribed persons;
- a site location plan (Figure 1.1 of the PEIR);
- a plan showing the extent of the Site (the DCO application site boundary) edged in red and the main parts of the Site, including the Main Development Area that would accommodate the EFW power station (Figure 3.1 of the PEIR);
- a plan showing the indicative layout of the Proposed Development (Figure 4.1 of the PEIR);
- indicative 3D visualisations of the Proposed Development;
- a Preliminary Environmental Information Report ('PEIR') and its Non-technical Summary; and
- the Section 48 Notice that is being published.

I look forward to receiving the SoS's acknowledgement of the Applicant's notification of the SoS of the Proposed Application pursuant to Section 46 'Duty to notify secretary of state of proposed application' of the PA 2008.
