THE SOUTH HUMBER BANK ENERGY CENTRE

EXPLANATION OF CHANGES MADE TO THE DRAFT DEVELOPMENT CONSENT ORDER ('DCO') AT DEADLINE 5 (19 MARCH 2021)

Article / Requirement number in draft DCO	Explanation of Change
General	Where the wording "carry out/ carrying out/ carried out" was previously amended to "construct/ construction/ constructed" this has been changed back to " carry out/ carrying out/ carried out" in response to QB5.1 of the Examining Authority's second written questions.
Article 2 (Interpretation)	A new definition of "varied condition" has been added to article 2 and is used in article 5.
Article 5 (Effect of the Order on the SHBEC planning permission)	<p>New paragraphs 6, 7 and 8 have been added to article 5 to set out how the deemed discharge provisions will apply when the SHBEC Planning Permission is varied.</p> <p>Paragraph 6 sets out that deemed discharge will not apply to a varied condition unless the relevant planning authority has issued a notice under paragraph 7. Paragraph 7 allows the relevant planning authority to issue a notice confirming that deemed discharge applies to a varied condition, and/or where the numbering of conditions has changed, confirming the number of the relevant condition and requirement to which deemed discharge applies. Paragraph 8 stipulates that the relevant planning authority may only issue a notice under paragraph 7 if it is satisfied that applying deemed discharge will not give rise to any materially new/different environmental effects to those assessed in the environmental statement.</p>
Schedule 2, requirement 1	A new definition of "Royal Mail" has been added to requirement 1 and is used in requirement 16.
Schedule 2, requirement 8(4)	In response to QB5.6 of the Examining Authority's second written questions, the Applicant and NELC have agreed to amend the wording in this requirement from "as part of" to "during".

Article / Requirement number in draft DCO	Explanation of Change
Schedule 2, requirement 15(2)(g)	Wording has been added to clarify that the timing for the fence installation must be incorporated in the construction environmental management plan.
Schedule 2, requirement 16(3)(a)	In response to QB5.8 of the Examining Authority's second written questions, reference to Royal Mail has been added to this requirement.
Schedule 8, National Grid Protective Provisions	<p>In response to QB5.4 of the Examining Authority's second written questions, the term "shall" has been amended:-</p> <ul style="list-style-type: none"> • to "will" in the definition of "ground monitoring scheme"; and • to "must" in paragraph 21.
Schedule 8, Network Rail Protective Provisions	In response to QB5.5 in the Examining Authority's second written questions, the Applicant and Network Rail have agreed to replace the term "shall" with "must", "will" or "is" as appropriate.
