Good Morning, Keadby 3 Case Team - Planning Inspectorate

Unique Reference: KDB3-SP066

JNCC co-ordinates nature conservation advice at a UK-level and advises UK Government on matters relating to nature conservation internationally. Within each UK country the separate statutory bodies are responsible for nature and landscape conservation, these being: Natural England (NE), Natural Resources Wales (NRW), NatureScot (NS) and the Council for Nature Conservation and the Countryside Northern Ireland (CNCCNI).

JNCC has responsibility for the provision of nature conservation advice in the offshore area; 'offshore' being defined as beyond 12 nautical miles (nm) from the coastline, to the extent of the United Kingdom Continental Shelf (UKCS). Within territorial limits (<12nm) nature conservation advice is the responsibility of the relevant country bodies.

This development proposal is not located within the offshore area, does not have any potential offshore nature conservation issues and is not concerned with nature conservation at a UK-level, therefore JNCC does not have any comments to make on the consultation.

Yours sincerely,

John Henson-Webb
