Dear Sir/Madam

**APPLICATION BY FIVE ESTUARIES OFFSHORE WIND FARM LTD FOR AN
ORDER GRANTING DEVELOPMENT CONSENT FOR FIVE ESTUARIES
OFFSHORE WIND FARM**

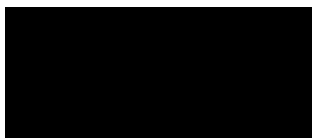

Please find enclosed our reply to the examiners question. Flood Risk 14. The EA and the ECC are invited to comment on the 10.76 Technical Memo on Revised Environment Agency Flood Mapping Data provided by the Applicant in response to the Secretary of State's request

Thank you for your consultation we have reviewed the document

**10.76 TECHNICAL MEMO ON REVISED ENVIRONMENT AGENCY FLOOD
MAPPING**

Our latest released Flood map data (2025) assessment confirms there are no significant changes to fluvial, tidal areas highlighted within the project scope and confirm that the findings of the FRA reports would not change if these were to be updated using the latest EA data. We are satisfied with this conclusion.

Yours faithfully

Sustainable Places - Planning Specialist
