Dear Sir / Madam

Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010 Application by Five Estuaries Offshore Wind Farm Limited ("the Applicant") for an Order granting Development Consent for the proposed Five Estuaries Offshore Wind Farm ("the Five Estuaries Offshore Wind Farm Project")

Thank you for your letter dated 15 October 2025 within which the Secretary of State for the Department for Energy Security and Net Zero has invited all Interested Parties to comment on the information provided in response to his Requests for Information in the consultation letters dated 21 August 2025 and 26 September 2025.

The Ministry of Defence (MOD) have reviewed the information provided and published on the Five Estuaries Offshore Wind Farm Project Page of the National Infrastructure Planning website. We note that as there are no changes with regard to the proposed Five Estuaries Wind Farm project the MOD's position as previously communicated by letter dated 6 March 2025 remains extant.

I trust this is clear however should you have any questions please do not hesitate to contact me.

Yours faithfully
