

FIVE ESTUARIES OFFSHORE WIND FARM

THE PLANNING ACT 2008 AND THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS 2017

NOTICE OF A DECISION ON AN APPLICATION FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR EIA DEVELOPMENT

The Secretary of State for Energy Security and Net Zero, (“the Secretary of State”) gives notice under regulation 31(2) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (“the 2017 Regulations”) that a determination has been made on an application made by Five Estuaries Offshore Wind Farm Limited (“the Applicant”) for development consent under the Planning Act 2008 (“the 2008 Act”) for development that constitutes “Environment Impact Assessment development” as defined in the 2017 Regulations.

The application is for the construction, operation, maintenance and decommissioning of an offshore wind farm in the southern North Sea off the coast of Essex and Suffolk including up to 79 turbines within two array areas and a generating capacity of more than 100MW. It would include offshore substation platforms, onshore and offshore cabling, construction of one onshore substation and enabling works for the provision of a second substation, works to facilitate a connection to a new National Grid substation and associated development.

The Secretary of State has decided, following consideration of the report of the Examining Authority who conducted an examination into the application, that development consent should be **granted** for the proposed development.

The statement of reasons for deciding to make an Order granting development consent, which has been prepared by the Secretary of State under section 116 of the 2008 Act, and regulation 31(2) of the 2017 Regulations, containing the content of the decision, the requirements imposed in connection with the development, the main reasons and considerations on which the decision is based including relevant information about the participation of the public, a description of the main features to avoid, reduce and offset any major adverse effects of the development, is published on the Planning Inspectorate’s website:
