Good Morning

I appreciate that this comment is past the requested date, due to the ill health of the Clerk, but would request that you accept the following on behalf of Amcotts Parish Council:

Amcotts Parish Council would like to thank the Secretary of State for inviting comments from interested parties.

Due to the government and Defra's determination to move to a more circular economy and the implementation of the numerous recycling schemes, which will reduce the amount of feed stock available for incineration, there will be no additional requirement for further incineration capacity.

Kind Regards

Marie Clegg
