Our Land at Lyminster

Title Ref WSX 228882 Freehold

Rampion 2 have made no effort to try to accommodate us the Land Owners. We have asked at every meeting with Rampion to position the cable route by some 30 feet south of THEIR Red Lines.

We were tricked into giving permission for walk over surveys, with the promise of a compromise on Rampion 2's part.

No compromise whatsoever has been offered. Cost to Rampion being their only concern.

This slight compromise over our land would cost Rampion 2 very little in monetary terms but has ruined any hopes we have for our land.

The cost to our 5 families has been devastating.

Rampion 2 have been entirely disingenuous throughout this whole process in dealing with us, the land owners and trustees.

I can only hope that the whole project fails, and my family will be left alone to develop OUR land as we plan.

What Democracy?

Gina Perella Lewis

Trustee and one of the 5 Landowner of the 5 acres that Rampion 2 have been given carte blanche to use as they will.
