Subject: Meeting at Wivenhoe House Hotel

With reference to the above meeting, is anyone allowed to turn up and ask a question?

I have a question that none of your staff are able to answer!!

The whole of [REDACTED] is on Well Water.....nobody can answer the question as to what will happen to our water supply once you start digging. If we lose our water what are you going to do about it?

Also, there are a lot of houses in this road that have NO conventional footings.....our house has stood for over three hundred years with no footings and, as you can imagine, we are VERY concerned about what is going to happen to our house once the increased traffic starts to come through past our house.

Perhaps you could answer these questions, promptly, or I will have to come to the Wivenhoe House Hotel and ask these questions and hope that I will get some satisfactory answers.

Yours sincerely

Gillian Christmas
