Dear All,

I write on behalf of my client, Stena Line Limited.

I understand that the Applicants for the above project, Flotation Energy, have this morning sent to you – albeit a day after the close of the examination, a further version of the SoCG but now signed by my client.

I apologise for the delay that has arisen in passing the completed signed document to you which I should add was unavoidable due very much to the nature of my client's marine business, but I trust that it can be accepted by the ExA as the final agreed document.

Kind regards,

[REDACTED]
