To whom it may concern,

Morecambe Offshore Wind Farm – Information Request 1

Thank you for consulting JNCC on the Request for Information for the proposed Morecambe Offshore Windfarm Project: Generation Assets.

The advice contained within this minute is provided by JNCC as part of our statutory advisory role to the UK Government and devolved administrations on issues relating to nature conservation in UK offshore waters (beyond the territorial limit).

Our comments pertain to the updates in Habitats Regulation Assessment (“HRA”) matters.

3. Noting that further HRA information was submitted by the Appropriate Nature Conservation Bodies and the Applicant at Deadline 6 following publication of the Report on the Implications for European Sites, the Secretary of State invites the Applicant, NE, NRW(A), and JNCC to provide any final comments on that further information.

Ornithology

JNCC can confirm that we have no final comments on any further information submitted at Deadline 6, and our previous comments remain relevant.

Marine Mammals

JNCC can confirm that we have no final comments on any further information submitted at Deadline 6, and our previous comments remain relevant, including those regarding the use of noise abatement systems and/or quieter hammer technology for impact piling.

Please contact me with any questions regarding the above comments.

Yours sincerely,
