Dear Secretary of State for Energy Security and Net Zero

Application by Morecambe Offshore Windfarm Limited (“the Applicant”) for an Order granting Development Consent for the proposed Morecambe Offshore Windfarm Project: Generation Assets (“Morecambe DCO”) - PINS reference: EN010121

Commercial agreement between: (1) Morecambe Offshore Windfarm Limited (Company Reference: SC734062) (“the Applicant”) and (2) Stena Line Limited (registered number 01402237) (“Stena”)

We write on behalf of Stena in respect of the above application for a development consent application for the Morecambe DCO.

Following extensive discussions, the Applicant and Stena have entered into a commercial agreement which seeks to address the potential impacts to Stena’s ferry routes arising as a result of the construction, operation and decommissioning of the Morecambe Offshore Windfarm Project.

We therefore write formally on behalf of our client to withdraw objection to the Morecambe DCO application with immediate effect.

This letter has been copied to the Applicant.

Yours faithfully
