You don't often get email from onr-land.use-planning@onr.gov.uk. Learn why this is important

Dear Sir/Madam,

I refer to the latest letter dated 30 September 2026.

ONR's interested party reference number is: [redacted].

With regard to planning application EN010122 – Oaklands Farm Solar Park, ONR makes no comment on this proposed development as it does not lie within a consultation zone around a GB nuclear site.

You can find information concerning our Land Use Planning consultation process here: (http://www.onr.org.uk/land-use-planning.htm).

Kind regards,

Land Use Planning
Office for Nuclear Regulation
